### NOTHING SO DISGRACEFUL

We can think of nothing so disgraceful as for a Canadian to be giving information or sending aid to the enemy at a time like this. Germany has been working regularly through traitors, securing information and receiving aid from people who are citizens of some other country. Evidently to many people the oath of allegiance is only another scrap of paper. They are not desirable citizens in that they bring discredit on people of their own nationality as well as on Canada. Because we are a new country does not mean that people can with impunity turn against the country of their adoption.

### AUSTRALIAN ACTION

Australia does not take any longer than Canada to push through measures needed in providing for the protection of the country. The Australian House of Commons soon passed the constitution bill asked by the Prime Minister and the Senate followed suit. All parties have united in the common cause and are pushing forward preparations to meet any eventuality. In New Zealand where the country is controlled by Labor, there has been even great-

er activity than in any other Empire country.

### CORN IN EGYPT

Possibly we have all read the Bible story of the famine in Egypt due to one of the periodic vagaries of the River Nile. One of the rulers of that country built granaries and stored the corn and sold it later at a good profit. Today Canada is the granary of the Empire. The Royal Bank, in its monthly bulletin, draws attention to the need there will be for food pretty soon. The people of a number of devastated countries will have to be fed and today Canada has something like three hundred million bushels, almost one complete year's crop, stored in elevators ready for shipment to the places where it may be needed. This is first and foremost a food insurance for the Empire and, if it is not needed there, other countries will be able to share in the store.

The writer of the bulletin urged increased consumption as a national duty. Canada has the capacity to produce and, undoubtedly, preparations should be made to increase the output next year for all the food will be needed and needed badly. Famine is possible in some countries unless those able to do so produce to the full.

## WANDERERS WIN TITLE

### Defeated Beavers Saturday Afternoon To Capture King Edward School Football Championship

In the replay of the final of the King Edward School Football League Saturday afternoon the Wanderers managed to win from the Beavers by four goals to three. It was an exciting game and gave the Wanderers the school football championship.

The Beavers had the better of the first part but there was no one in the forward line able to shoot. Ormiston saved well from Davies but was later beaten by Bud Pierce who took advantage of slack defence play by the backs. Husoy spoiled Davies' shots several times. Holkestad cleared but Pierce got a second goal and then Davies added a third with a high shot.

Being three goals behind did not deter the Beavers and E. Pierce got a counter. Beavers played up even harder and E. Pierce got a second goal. Holkestad, Prince and Bond all played hard but a moment's slackness gave Bud Pierce a chance and he beat Ormiston from close in. Beavers came right back and E. Pierce got his third. Play was fast until the end but neither team was able to score again.

### Teams:

Wanderers—Leland; Teng, Jerstad, Bug; Elliott, Davies, Hebb; Macintosh, Dixon, Matsumoto, Bud Pierce, D. Scherk.

Beavers—Ormiston; Bond, Holkestad; Menzies, Holkestad, C. Pilfold; G. Anderson, Murray, E. Pierce, B. Prince, L. Husoy, J. Haugan.

For the Wanderers Joe Davies was the best. Teng and Jerstad were good while Hebb also played well. Forward Bud Pierce who got three goals, D. Scherk and Matsumoto were the best.

The Beavers were well served by Ormiston who played his usual good game in goal. Bond and Holkestad were safe backs. Prince was a very good halfback with Pilfold also doing well. Beavers were weak forward with Red Pierce and Husoy the only dangerous ones.

## CALL OFF PORT DAY

### Junior Chamber of Commerce Still Ready, However, to Co-operate in Civic Centre Project

At a meeting of the Port Day committee of the Junior Chamber of Commerce a letter was read from the Trades and Labor Council in which that body stated it felt unable to co-operate in any Port Day celebration this year due to the state of national emergency and the demands it is making on the pockets and time of the public. Since the Trades and Labor Council affiliate, the Deep Sea Fishermen's Union, cannot, therefore, participate in the events, the committee decided to abandon plans for Port Day this year, stating, moreover, that it was thoroughly in sympathy with the Trades and Labor Council's attitude to the matter.

The Junior Chamber of Commerce had intended to devote any surplus which might accrue from the Port Day celebrations to the civic centre committee's fund and it stresses it is still willing to co-operate in every way with any plans which may now be in progress to finance that project and erect a suitable building.
