TO MEET BAYLEY

PAT SCOTT

With nothing suggestive of the average prize ring fighter in his make up, Pat Scott, who is to meet Joe Bayley at the Westholme Theatre on Thursday night, walked down the gang plank of the Prince Rupert this morning.

Dan Salt, his manager, who accompanied him, says he has been "working out" en route to Rupert and the finishing touches in training consisting of vigorous road work will be done today. He certainly appears to be in fine shape and that Joe Bayley will have the fight of his life when the two meet is assured.

Pat Scott is a Canadian, born in Chatham, Ontario, 21 years

ago. He has defeated every boy in his class that he has met. Out of fourteen bouts he made ten wins and four draws. He has been in the fighting game for two years. No boxer on the coast is more popular with the fans and he bears a clean record. His last contest was with Pete McVeigh for the championship of the northwest States, which resulted in a draw, although the popular verdict was that Scott had all the best of the match.

Dan Salt and Scott both expressed themselves well pleased to have an opportunity to come to Rupert and thoroughly enjoyed their trip up on the George. Jack Beatty and W. H. Wright are escorting them around town.

AS BENEDICT HE RETURNED

Arrival of W. D. Vance, Assistant City Treasurer, with His Young Bride Greeted with Cordial Congratulations This Morning.

By the Prince George this morning there returned to the city Mr. W. D. Vance with his young bride. Friends and the sunshine welcomed the young couple to Prince Rupert. Mr. Vance, whose popularity with his colleagues on the city hall staff is firmly based, is as popular, too, with the indoor baseball, basketball, tennis and other athletic sport lovers of the city, and congratulations are merrily trooping in upon him. Mrs. Vance, too, is receiving a Prince Rupert welcome, and the congratulations of all who know her young husband, whose quietly purposeful matrimonial venture on his spring holiday trip fairly surprised and delighted the boys. Mrs. Vance, as will be remembered, was Miss Irene McIntosh of Edmonton. The wedding took place at Vancouver on Wednesday, March 6th.

BIG CROWD HEARS ARGUMENT

(Continued from Page 1.)

"I ask your support not for myself, but for the principles of democracy. I am for principles and not personalities. I have no quarrel with William Manson but with his government I have. (Cheers.)

"The calling of this election is a most extraordinary thing; it is a farce. We were given from February 28 to March 28 in which to present the issues in all the constituencies, which is not possible. It is a stifling of the suffrage for which McBride has got to answer. (Cheers.)

"I smile when I read in the Empire that the Conservatives have buried the hatchet. Up the Skeena I found a great many who had not buried it, and there are many in Prince Rupert. Yet what do you read in the Empire. (Laughter.)

"I want to see the civil service taken out of politics and kept out. What I want is a business government that will handle your affairs and your funds as they are handled in a business concern."

"I find up the Skeena that the roads and trails are pitiable; trails built at a cost of \$1800 per mile when \$600 a mile would have made a wagon road. They run from nowhere and get to nowhere. Our roads and bridges should be built on business principles, not on political.

"The government should be the forerunner of development and not wait for it.

"In this northern country the government has huge blocks of land for purchase and has reserved land for pre-emptors after the best land is gone. As a result you have a pre-emptor here another seven miles away, and another twelve miles away. What opportunity does this offer for churches and schools? As business people we ought not to stand for this, nor for the heavy taxation to which the pre-emptor is subjected. The province is wealthy and can well afford to have a homestead law with land at a dollar an acre.

"Dr. Kergin got a greater pro rata appropriation for Skeena than William Manson has ever got. (Cheers.)

"Our licenses and our police are controlled by the provincial government. Why should they be? As soon as we become sane enough to remove the control of the liquor traffic from the political party, whether Liberal or Conservative, the better it will be for us. We should control the liquor traffic and the police through a non-partisan body.

"Upon the labor question I will be frank with you because you have been fooled by politicians for generations. They have told you on the hustings what they would do and forgotten it afterward. I can only ask you to trust me. The government can well afford to pay a minimum wage as well as in the real estate business. (Laughter.)

"The Workmen's Compensation Act is very narrow. It should be enlarged and I would alter it to extend to all hazardous work. Railways should not be paralleled but run into new country to aid its development. I want to see some of the

DO WE WANT "A FRIEND AT COURT"

The Trombone tries repeatedly to make out that William Manson has proved himself "a friend at court" for the Skeena riding, in the effort to counteract the Liberal candidate's direct declaration that the "friend at court" claim is a fallacy and a fraud without one fraction of advantage in it for Skeena. The Trombone quotes the figures given below in support of its absurd claim. Study them, just study them!

UNDER LIBERAL MEMBER.		UNDER WILLIAM MANSON.	
1908	\$28,000	1910	\$150,000
1909	\$75,000	1911	\$225,000
Appropriation for 1909 nearly three times that for 1908. At the same rate the Liberal member would have secured for 1910 at least \$200,000.		Appropriation for 1910 only double that for 1909. Appropriation for 1911 \$75,000 short of being even only double that for 1910.
