## POLITICAL TABLOIDS FOR OUR CONTEMPORARIES.

A Conservative speaker will be present tonight at the Liberal meeting.—Tuesday's Empire.

He might have been there in disguise, but he didn't speak. Probably the political atmosphere of the meeting was unpropitious.

All of us make mistakes. William Manson has made his. But he does not deserve as much censure as is being heaped upon him.—The Empire.

No censure is heaped upon William for his mistakes. The censure is upon the people who made such a grave mistake in electing him. But they are penitent now and promising never to do it again.

Whatever else they may say, they cannot say William Manson is a boodler.—The Empire.

They cannot say that William Manson is anything. If he had ever even attempted something for the good of his constituency he might be forgiven. They do not say William Manson is a boodler because they know it takes a smart man to be a boodler.

The appropriations for Skeena district this year amount to \$551,000.—The Empire.

They do, in the Empire and also in the Journal. But in the McBride government's official blue book it reads \$351,000—only a slight discrepancy of Two Hundred Thousand Dollars.

We are not saying the settlers have no grievances.—The Empire.

Of course not. That would be too foolish for anything.

No government and no representative can do everything each of us would like. Therefore we must judge their actions as a whole, if we wish to be fair to them.—The Empire.

We are fair to William Manson. He is not charged with doing everything; he is charged with doing nothing.

William Manson has his faults, but he is not nearly so bad as he is painted to be.—The Empire.

A good coat of whitewash is generally reckoned to be healthy about election time.

The McBride government has built only one government wharf in the province. And that one is at Prince Rupert. Yet some Prince Rupert people kick.—The Empire.

Oh, no; the kick is about its not being finished; that the work lingers merely so William Manson may have something left to promise the people.

There is some sense in banding together to effect the overthrow of a rotten government.—The Empire.

There surely is. That is why men of every political persuasion in this riding are now banded together, and this day week the Empire may compliment them upon having achieved so worthy a purpose so far as the local representative is concerned.

The level-headed electorate of Skeena district, however, will not be misled.—The Journal.

Not after the expose of the Journal's figures of what "the friend at court" has done, made by Dr. Kergin and Thomas Dunn at the meeting Wednesday night.

No matter what William Manson is he is now the nominee of the Conservative party for the Skeena district, and as such he is entitled to the party support.—The Empire.

Of course. If the candidate was the devil himself the ringsters would HAVE to support him. That's what makes it such a merry hell for the outsiders.

Truth, the new morning paper, is cutting quite a swath for so dinky a sheaf. Every word of it is bright and to the point, and it is shaking up the dry bones of local politics to such an extent that the air is full of dust and stench.

## Remember

There will be two Manson names on your ballot paper. Be careful to make the distinction between the McBride Manson, who has been tried and found wanting, and ALEX. M. MANSON, the people's candidate, and a true representative of Skeena riding. To save confusion at the polls put your cross opposite the name of ALEX. M. MANSON, which is the second name on the ballot, exactly as indicated thus:

CLAYTON William Barratt Clayton, of Prince Rupert Dentist	
MANSON, ALEX. M. A. M. Manson, of Prince Rupert, Barrister-at-Law	X
MANSON, WILLIAM William Manson, of Prince Rupert, Accountant	
MONTGOMERY Wm. H. Montgomery, of Prince Rupert, Laborer

## Reasons Why Wm. Manson Must be Defeated

1. The growth and prosperity of Prince Rupert is being hampered and retarded by the attitude of the McBride government in direct opposition, in order to serve the interests of the rival port of Vancouver.
2. That Prince Rupert can raise no voice of protest so long as she is represented in the legislature by the silent and obsequious William Manson.
3. That the said Silent William did once or twice gently purr in mere explanation of what this city was seeking from the legislature, but never sufficiently loud to wake up any other member of McBride's huge majority.
4. That even on Prince Rupert matters he always voted with the government.
5. That when a respectful petition was sent to him asking when the government wharf would be completed he never brought the matter before the house at all, and that this matter was brought directly before the house by the Liberal representative of another constituency, H. C. Brewster.
6. That with an able and energetic Liberal from Prince Rupert in the house, such as is Mr. Alex. M. Manson, the Liberal nominee, this city might shame the monopolists of political representation into giving at least a certain measure of justice.
7. That the Silent William never brought before the house the subject of the sale of government lots in Prince Rupert, but in default gives us his interpretation of what the premier is alleged to have said, namely, that the government was in the real estate business good and hard and as it had passed laws exempting taxation on these lots it could hold them without expense until the people had made them enormously valuable, and the people could go to.
8. That the Silent William is alleged to have presented a petition from the people of the city for a government wagon road around Kaiaen Island, and that as an ante-election statement he is now promising the road will be built, but he whispers in an aside that he does not know the amount of the appropriation.
9. That these are the things the Silent One claims to have attempted to do in the interests of this city.
10. That what he ought to have done and which he didn't even try to do would take from now until election day to enumerate.

## SUFFRAGIST NOBLEWOMAN, VISITING UNITED STATES, DENOUNCES MILITANTS

COUNTESS OF WARWICK.

New York, March 14.—The Countess of Warwick, who arrived from England on the Mauritania to lecture in the United States and Canada, assailed her countrywomen who have been rioting in London in their fight for suffrage. Lady Warwick is a suffragist, and more particularly, a Socialist, but she declared that the militant tactics of rioting women had hurt the cause. "They have been mostly women who have been seeking notoriety," she said, "and they have been very stupid indeed. The destruction of property cannot be excused on the ground of righteousness of any cause."

## TWO LIBERAL CANDIDATES DECLARE FOR LOCAL OPTION

EREWSTER AND ELLIOTT, NOMINATED FOR VICTORIA, BELIEVE IN BRINGING ALL DEPARTMENTS OF MUNICIPALITIES UNDER DIRECT CONTROL OF CITY ITSELF.

Two Liberal candidates of Victoria have issued a concise manifesto which is worthy of consideration by candidates elsewhere.

It shows a trend of sentiment which Local Optionists claim exists in the province, and on behalf of which they have made constant appeals to the government, but without effect. It will now be seen whether the temperance people will put principle before party and vote for the candidates which have unanimously adopted the principles of Local Option and Equal Suffrage.

To the Electors of Victoria: In accepting the nomination to represent the Liberal party in the city of Victoria at this provincial election, we wish to lay before the electors the following

statement of our political principles:

We are in entire accord with the platform of the Liberals of British Columbia, adopted by the Vancouver convention, March 4, 1912, and particularly:

1. We believe in bringing all departments of municipal government under direct control of the mayor and council; and that the abolition of the police commission and board of licensing commissioners, or their being constituted elective bodies, is an imperative public necessity.

2. We believe in extending the right of franchise to women; and are impressed with the especial necessity of so amending the Municipal Clauses Act as to allow women full right of franchise at all municipal elections.

3. We believe in the absolute prohibition of the liquor traffic, and as a means towards that end we believe in the adoption of the local option policy and of making the adoption dependent only on a straight majority vote of the people affected.

4. We believe that the appointment of road bosses and all government officials entrusted with the expenditure of public money, should be made regardless of politics.

5. We believe in the necessity of adopting a policy of giving greater publicity to the details of expenditures of public funds.

6. We believe in a revision of the land laws so as to safeguard the public interests and to promote settlement.

7. We believe in making collections of workmen's compensation for accidents and injuries collectible without litigation, and in the shortest possible time; and

8. In conclusion we believe that the adoption of a form of government based on the principles of the Liberal party will tend to the welfare of the province.

R. T. ELLIOTT,  
H. C. BREWSTER.

## Fort George Watch It Grow!

The Railway Commission has ruled that the depot must be located some distance west from the Fraser River on the Indian reservation. Do you see the point? It means the location of the depot right at the east part of the Fort George townsite, near Fraser avenue. This settles all controversies in regard to the value of the Fort George townsite and those who have followed us are going to reap a good profit on their investment. Lots are selling fast; there will be a tremendous boom at Fort George this year. WITH THE RAILWAY FROM VANCOUVER TO FORT GEORGE TO BE FINISHED IN THREE YEARS FORT GEORGE IS BOUND TO BE THE WINNER OF BRITISH COLUMBIA. This is the time to act quickly, don't delay, tomorrow will be too late. Information free.
