

We were arguing about names, and I said the truest trade-name ever adopted is "Old Chum" because that's exactly what it has been to me for years. It's helped me through times of trouble and added to my pleasure in days of ease. Give me a pipe of Old Chum—any place or any time—and I'm in good company. The older I grow, the more sure I am that there is no other tobacco just like Old Chum. Try it for yourself.
