New Boat Acquired for Armour Salvage Fleet Here — Motorship Northland Being Lengthened.

Within the course of the next two or three weeks the motor vessel Amaryllis will arrive from Vancouver to be added to the local service fleet of the Armour Salvage Co., it is announced by Capt. W. P. Armour, head of the company, who arrived in the city yesterday from Vancouver on business and will be returning south on the same vessel tonight. The Amaryllis will be the largest unit of the Armour fleet here and will be available for use as a towboat and packer. At present she is being rebuilt at the Pacific Shipyards in Vancouver. Built in Vancouver in 1918 for service as a submarine chaser, the Amaryllis is 110 feet long and is equipped with a 300 h.p. Winton full diesel engine. She was purchased by the Armour Salvage Co. from Fred Evans of Vancouver.

When next she is seen at Prince Rupert the well known motorship Northland of the Northland Transportation Co.'s fleet will be a much larger vessel. She has now been withdrawn from service and is being lengthened by forty feet at Seattle. In order to make the extension the vessel has to be cut in half. The work will give her considerably increased space for passenger and freight carrying. During the absence of the Northland, the steamer North Coast is on the run between Alaska and Seattle with southbound calls usually at Prince Rupert to discharge fish from Kitchikan for transshipment East over Canadian National Railways.

If you want something, advertise for it. Hundreds of people get what they want that way.

Attention Fishermen!

Mr. Carlson of the Extension Dept. of U.B.C. will speak on Credit Unions.

French Freighter To Great Britain

Steamer San Francisco Leaves New York to Evacuate People from Old Country

NEW YORK, Oct. 31: (CP)— The French freighter San Francisco sailed from here yesterday, supposedly for Great Britain to evacuate French people from there.

Reach ten thousand people with a "want ad," in the Daily News.

Lilac Trees From Victoria May Be Planted In City

Bundle Received Yesterday From W. J. Alder for Local Distribution —Horticultural Society Finances Discussed

Yesterday the Prince Rupert Horticultural Society received from Victoria a bundle of well rooted little lilac trees sent by W. J. Alder for local distribution.

The executive of the society met last night and allotted about half of the three dozen trees and decided that anyone wishing to plant one or two in garden or boulevard could obtain them by calling at the Daily News and taking them away. They should be planted at once. A few of the trees will be planted in Alder Park on Fraser Street.

The society executive received a report on the flower show and general finances of the society from Secretary C. G. Ham, it being shown that the financial condition was a healthy one.
