# Canada's TOURIST TRADE

**Every year well over 10,000,000 tourists visit Canada from the United States. They spend some $250,000,000 in the Dominion.**

**Canada's tourist trade has become one of the most important sources of our national income. Under stress of war, American tourist dollars are vital in providing needed exchange.**

**Canada's banks materially assist in promoting this lucrative trade. Over 3,000 branch offices provide the tourist with familiar banking services throughout the Dominion—often in the most remote areas. At any of these branches Travellers' Cheques are cashed, Letters of Credit negotiated, money exchanged, tourist information gladly furnished by Managers and Staff.**

**To the stranger within our gates Canada's banks extend a warm welcome and through friendly, courteous service, encourage him to return another year.**

## Queen Mary Chapter Is In Meeting

The regular monthly meeting of the Queen Mary Chapter, Imperial Daughters of the Empire, was held on Wednesday evening at the home of Mrs. S. D. Macdonald, Sixth Avenue West, with the Regent, Mrs. J. A. Teng, in the chair and a fair attendance of members.

Arangements were made for a flannel dance in the Oddfellows Hall on July 5.

A donation of Indian-fade socks for the Navy was given, also cash donations to the Children's Milk fund and for the Dry Canteen which is being organized locally.

Owing to war time conditions it was decided to continue regular meetings instead of disbanding for the summer months.
