SMITHERS

The many friends of Mr. and Mrs. Harold Ponder of Smithers sympathize deeply with them in the loss of their son who was a member of the crew of H.M.C.S. Margaree which was recently sunk in collision in the North Atlantic. They were visited by "Bud" here a few months ago before he went East to join the naval forces and recent letters from their relatives in England advised them that he had been to visit them while on leave in England. This is the second Smithers family to be bereaved in the same manner as Mr. and Mrs. Walter Bodger lost a son on H.M.C.S. Fraser when she collided with another ship and sank a short while ago.
