Teng, Mrs. Lang, the Misses Ruth Walton, Barbara Teng, Mary Baker, Eleanor Barber, Marie Boulter, Audrey Hunter, Irene Nordan, Peggy Large, Evelyn Bussey, Jean McAfee and Patricia Love and George Good and Bob Cruickshank.

UNITED SERVICES HUT IS CARRYING ON
(Continued from Page One)

A. has a latest model 16mm picture and sound camera and each Wednesday evening he gives a full length picture show of the latest feature releases, consisting of comic strip, Universal news and full length screen production, just the same as one would see in any theatre. This program is usually opened with a sing-song by the boys and is much appreciated.

The hut is open every day from 10:30 a.m. to 11:00 p.m. and the full-time staff consists of steward, Bill Lamb (Toc H.) Norman McEwen (Y. M. C. A.) assisted by Padre Durnford, garrison chaplain, and a voluntary staff of women helpers supplied by the various organizations in the city, who take charge of the kitchen and canteen counter from 4:00 p.m. to 11:00 p.m. daily including Sundays.

Apart From Hut

So much for what goes on at the hut. In addition there is also a considerable amount of work carried out in connection with the various forts, etc. in this area. This outside work is very efficiently carried out by Norman McEwen. Monday night he takes his picture show to Barrett Rock Fort; Tuesday to Frederick Point, Thursday to Dundas Point and so on. On these occasions he is usually helped by the Padre who will always be found where there is work to be done.

Outfits for athletic games such as softball, bats, balls and mitts, footballs, horseshoes, etc., have been supplied by Y. M. C. A. funds to the various detachments on duty outside the city. Indoor games and playing cards have also been supplied by the same source. It is intended during the fall to organize a sports committee and start a basketball league composed of teams representing the various units so that competitive games can be arranged during the winter months.

As a side line which the steward attends to in his spare time, parcels of magazines and periodicals are made up and sent out to the crews of the naval examining boats and the forts.

The Hut is run solely for the benefit of fighting forces stationed in the Prince Rupert area. It is supported entirely by voluntary funds and voluntary effort.

Halibut Fishing Has Week To Go—Modern New Freezing Plant at Namu—Not Much Doing in Deer Hunting

With the 1940 fishing season having less than a week to go, halibut landings at Prince Rupert for 1940 up to and including yesterday had reached a total of 16,040,819 pounds as compared with 14,912,700 pounds at a corresponding date last year. The Canadian total for this year is 6,059,219 pounds and the American aggregate being considerably lighter than the 6,630,400 pounds last year while the American catch is up from 8,282,300 pounds in 1940. Indications now are that the aggregate landings at Prince Rupert in 1940 will run about a million pounds in excess of a year ago. During the week ending yesterday landings at Prince Rupert totalled 555,000 pounds of which 191,000 pounds was from Canadian boats and 364,000 pounds from American. Prices during the week continued at a steady and satisfactory level despite the fact that a good deal of the fish has been going into cold storage. For Canadian halibut the high price of the week was 11.9 cents and 8 cents received by the Dovre B. for 40,000 pounds and the low 10 cents and 8 cents which the Joe Baker, Kyrelle and Mother III were paid for 15,000, 17,000 and 20,000 pounds respectively. For American fish the top bid of the week was 11.5 cents and 8 cents which the Excel was paid for 27,000 pounds and the low 10 cents and 8 cents which the Bolida, Glacier, Spray and Omaney received for 24,000, 14,000, 29,000 and 40,000 pounds respectively.

While the deer hunting season has been open for the past couple of weeks, there does not appear to have been a great deal of activity so far on the part of local nimrods. More and more Prince Rupert hunters seem to be changing their liking from deer to bird hunting. However, a few parties have been out with mixed success.

Salmon Fishing Closes

Salmon fishing of all types including trolling will be closed as from next Friday in the Skeena River, Lowe Inlet, Butedale and Bella Coola areas, it was announced today at the Dominion Fisheries office. The Naas River and Queen Charlotte Island areas will remain open. Fishing just lately has been poor on the Skeena River and the number of gillnetters there has now dwindled to a mere sixty. Inverness, Cassiar, Carlisle, Claxton and Prince Rupert canneries are still in operation.

Frank Warne of the local Dominion Fisheries office is on his annual trip to the Maziaden Lake fish ladder north of Stewart. He will be returning to the city next week, it is expected.

COMEDY AND ADVENTURE

"Daytime Wife" And "Cisco Kid And The Lady" At Capitol Theatre Tonight

"Daytime Wife," romantic comedy, co-starring Tyrone Power and Linda Darnell, and "The Cisco Kid and the Lady," an exciting adventure picture of the old southwest with Cesar Romero in the title role, comprise what should be an entertaining double bill at the Capitol Theatre this afternoon and evening.

"Daytime Wife" tells of the romantic goings-on of a husband who goes whistling under the wrong balcony. Full of gaiety, wit and charm, the story goes on to an intriguing situation. Featured in the cast, in addition to Power and Miss Darnell, are Warren William, Binnie Barnes, Wendy Barrie and Joan Davis.

"The Cisco Kid and the Lady" is the latest adventure of the Arizona outlaw. Marjorie Weaver and Virginia Field provide the romantic interest opposite Romero whose first venture it is in this role. There is plenty of excitement, adventure and comedy. Others in the cast include Chris-Pin Martin, George Montgomery, Robert Barrat, Virginia Field and Henry Green.

A CHALLENGE TO CANADIANS

EMERGENCY CALL!

From the shores of our Motherland comes an appeal for help which no true Canadian can fail to heed. While we live in comfort, death drops on that embattled island. The need for Red Cross assistance is urgent. Our sons and brothers are over there. On land, at sea, in the air, they face death daily. We must be prepared to help them when they are sick or wounded.

Red Cross help is needed on behalf of soldier and civilian alike. Hospitals and hospital equipment, surgical supplies and dressings, ambulances and X-Ray equipment will be needed. Overnight the need may become so urgent that lives may be sacrificed if help cannot be sent at once.

Never before has there been so great a need for Red Cross assistance. This challenge to humanity must be answered. Give to the Red Cross. Give to the utmost NOW!
