B.C. Missions Is Subject Of Rotary Address

The Prince Rupert Rotary Club, at its regularly weekly luncheon yesterday, heard from the superintendent of Home Missions of the United Church, Rev. W. P. Bunt, the story of the work of the church in its many and varied activities in British Columbia. He explained at the outset that he was telling of the work of the church to which he belonged because that was what he knew. Other churches, doubtless, were doing just as good or better work than the United Church.

Mr. Bunt made the statement that this country believed in Christian values. The churches believed that there was no individual who was not worthy of being saved for better things. The church believed in that and worked on that assumption. That was the origin of missions. He spoke of the valiant work being done by young men in different parts of the province in widely scattered fields. Many outlying settlers were glad to welcome the mission worker.

So in the marine missions the lighthouse keepers and their wives looked forward to a visit from the missionary. Thomas Crosby was probably the first missionary from the Methodist church. There was successful mission work among the Japanese, the church having seven ordained Japanese missionaries in this province. He regretted the "Back to Japan" movement which was taking away a number of the best of the people. He suggested that the human approach to all problems was the right one.

Mr. Brunt also spoke of the Chinese missions, the work among East Indians, the Doukhobors, the hospital and marine work and finally the home for girls. All these were distinct and valuable.

Among the visitors were Rev. J. C. Jackson, Rev. Peter Kelly, Rev. Morrison, Rev. D. W. More, Rev. Basil Hartley, Rev. J. Kabayama, Rev. Stanley Beveridge, Rev. T. C. Colwell, Rev. R. L. McConnell, Mrs. Hartley, Rev. Hugh Dobson, Dr. Bray, Rev. W. Atcheson and Rev. J. H. Myrwan.

At the Prince Rupert Rotary luncheon yesterday afternoon Hubert Ward reported on having attended as a delegate the recent Canadian Legion War Services campaign meeting. He told what was done and was asked to carry on as the representative of the club.

SOME ARE DISMISSED

KELOWNA, Feb. 9: (CP)—Magistrate T. F. McWilliams dismissed conspiracy charges against nine companies and five individuals after having committed eight of the companies and four of the individuals to trial on a charge of taking part in an illegal combine. Magistrate McWilliams ruled some of the proposed evidence in writing as inadmissible.

SMITHERS

At meeting of the Smithers Liberal Association was held in Smithers on Tuesday evening to elect officers for the coming year and for the election of delegates to the nominating convention at Prince Rupert on February 14. Election talk and politics in general are beginning to come to life in this vicinity and considerable interest was shown in this meeting. E. T. Kenney M.L.A. of Terrace arrived in Smithers on Tuesday morning to attend the meeting and also to address the annual meeting of the Omineca Branch, British Columbia Chamber of Mines Wednesday evening.

The weather still remains exceptionally mild and fine for this time of year and with the winter now so far advanced it is not likely that very much severe weather can occur to spoil the good record already established. The old timers of the district are hard pressed to find a parallel to the mild weather which has been experienced this winter.

GIRLS ARE FEATURED

"Hotel For Women" and "Charlie Chan At Treasure Island" Double-Billed At Capitol

Featuring Elsa Maxwell, who is described as the world's greatest party-thrower, "Hotel for Women" is the feature picture on the screen of the Capitol Theatre here at the present time. The story is a novel one, the picture casting Miss Maxwell as the big-hearted counselor to a large number of girls on their own in the big city. The picture is full of fun and glamor, many beautiful girls taking part. A fine cast, co-featured with Miss Maxwell, includes such favorites as Linda Darnell, a new discovery, Ann Sothern, James Ellison, Jean Rogers, Lynn Bari, June Gale, Joyce Compton, John Halliday, Katharine Aldridge, Alan Dinehart and Sidney Blackmer.

Double-billed with "Hotel for Women" is another of the popular series of Charlie Chan detective stories entitled "Charlie Chan at Treasure Island." Sidney Toler again plays the part of the famous fictional sleuth who faces a new kind of riddle—murder by ghosts.

Good Herring Run in Harbor Now—Transferring Cannery Machinery From Massett to Prince Rupert

All this week herring seiners and packers have been busy in the harbor catching and delivering fish which has been keeping the Tucks Inlet and Port Edward reduction plants operating to capacity. Earlier in the week the seiners were taking herring up the harbor towards Tucks Inlet. This morning they were fishing in front of the Canadian National wharves. All the fish is now going into the reduction plants, the bait requirements having been put up earlier in the season. The presence of the herring has brought sea lions into the

harbor in substantial numbers and there are also the usual large flocks of sea gulls.

Norman Nelson and John A. Clarke of Nelson Bros. Fisheries Ltd. are leaving today in one of the company boats for Old Massett to make arrangements for the moving of machinery from the cannery there to the new plant which is to be established in the ocean dock here.

Indian Department cruiser Naskeena is on a trip today to Port Simpson with Indian Agent James Gillett and Dominion Constable A. J. Watkinson on board.

C.P.R. steamer Princess Adelaide, Capt. Henry Anderson, arrived in port at 3 o'clock this afternoon from the south and will sail at 10 p.m. on her return to Vancouver and waypoints.
