W. D. Smith, after a brief visit We

To Britain and the cause of decent men and women everywhere, Canada pledges her loyalty ...her manpower ...her industry ...her wealth.

Valiant sons of Canada...55,000 of them... already man the ramparts of Britain's embattled Isle, stand guard in Iceland, Newfoundland and the Caribbean. Three squadrons of Canadian fighters even now are clawing Goering's raiders out of the sky. Thousands more are feverishly training ... 14,000 men sail in Canadian fighting. ships, on convoy, on patrol, in active battle line...

And you? Yours is the responsibility of providing the money . . . the "silver bullets" so vital in this war.

Canada expects you to save. Start saving now. Build up your bank account. It is your duty ... your opportunity to help in this fight for the future of mankind.
