Church Children Enjoyed Outing

St. Andrew's Cathedral Sunday School Picnic on Thursday

On Thursday afternoon St. Andrew's Cathedral Sunday School held its annual picnic at Digby Island. There was the usual good attendance of children and parents, all of whom enjoyed themselves to the full. The Sunday School superintendent, Frank Skinner, con-

ducted the sports, the chief of which was the running of races. The winners were as follows:

Girls—6 to 8. Donna Gurvich, Connie Pearce.
Boys—6 to 8. Donald McWilliams, Billy Watts, Jack Sharp.
Girls—8 to 10. Ione Jacklin, Joyce Watts, Herdis Holgestad.
Boys—8 to 10. Billy Gurvich, Mark Hill.
Girls—10 to 12. Margaret Willet, Audrey Hunter, Ruth Walton.
Boys—10 to 12. Peter Good, Bobby Mitchell, Neil Sheppard.
Girls—16 and over. Alice Barbe, Margaret Smith.
Ladies—Mrs. C. V. Evitt, Mrs. L. Fitzgerald.
Men's—Mr. J. Clarke, Mr. F. Skinner.

Girls' Three-Legged—Margaret Smith and Irene Norden, Arlene Fitzgerald and Alice Barbe.
Boys' Three-Legged—Bobby Mitchell and Peter Good, Frank James and Glenn Spence.

Transportation to the picnic grounds was made possible by Captain Sheppard and Dr. Cade who lent their boats, the Unome and Edac, for the occasion.

Volunteer Registrants Meet in Large Numbers to Organize—Activities Planned

An attendance that filled the Canadian Legion clubroom last evening went on record as favoring the formation of a local corps that would engage in learning or re-learning the various drills of army activities so as to equip themselves for service to their country and be prepared for any emergency that might arise.

The meeting was called as a result of the local registration of voluntary service. More than six hundred had registered at the time but, with the advice that the government was introducing national compulsory registration, the local committee felt that its duties were over. Accordingly it placed the records at the disposal of the Dominion government. It also advised the government that it was willing to carry on the work of national registration without remuneration. In the interim, before national registration can be organized, the local registrants expressed their desire to be doing something. The meeting was the result.

The committee, prior to disbanding, had considered in what way the people who registered might be properly made use of. These people wished to do what they could and various outlets for their activities could be found. As a result of the meeting, a resolution was unanimously endorsed asking the tentative committee to carry on and take steps to organize in the meantime. It is assumed that activities such as drills, signalling, first-aid, rifle-shooting would be among the items taken care of.

Another resolution, to be sent to both the provincial and dominion governments, was that the jobs and positions of men who left to enlist be kept open for them when they return from service and also that they be entitled to all seniority that would have been theirs had they stayed with their civilian work.

The first item that the local committee had considered was recruiting for all branches of His Majesty's Forces. In this connection Captain J. T. Harvey and Sergeant-Major W. M. Brown were present at the meeting. Captain Harvey told of the recruiting to be done for the 102nd Heavy Battery, Second Searchlight Battery, Irish Fusiliers, Westminster Regiment, Machine Gun, Second Battalion Canadian Scottish and the B. C. Regiment (Duke of Connaught's Own Rifles). Then there were the Home Guards, open only to ex-service men up to fifty years of age. The recruiting offices for all of these units was in the Armoury on Sixth Avenue. It was explained that category A, B, and C, had reference to a man's medical fitness as determined by the medical examining board. In every case the greatest care was taken to see that every man was placed where he could be of the greatest value.

The meeting, which opened with the singing of "O Canada" and closed with the National Anthem, was presided over by J. S. Wilson who, with Major M. A. Burbank, is the only one of the original committee in the city at present.

First Fish Run Through Local Cannery Today—Halibut Landings Much Heavier This Year—Sockeye Fishing Starts Tomorrow

First fish was run through the new salmon cannery of Nelson Bros. Fisheries Ltd. on the Canadian National Railways ocean dock Prince Rupert this afternoon. The fish consisted of 5,000 pounds of cohoes and 300 pounds of springs brought in by John Johansen aboard the boat Maude J. from the "flats" fishing grounds. The plant functioned completely satisfactorily and is in readiness to get into full operation with the commencement of the sockeye fishing season tomorrow evening.

Southbound after a cruise in Alaska waters, the palatial yacht Nina III, with Mr. Barrows, San Francisco chemical manufacturer and party on board, called here yesterday, spending several hours in port while taking on fuel and supplies.

Union steamer Cardena, Capt. John Boden, arrived in port at 12:15 midnight last night from the south and sailed at 3 a.m. on her return to Vancouver and waypoints.

Alex Gordon, veteran chief engineer of the steamer Princess Alice, at present on the Alaska run of the British Columbia Coast Steamship Service of the Canadian Pacific Railway, is retiring on superannuation. He will be succeeded by William Wollock, at present chief of the Princess Elaine on the Vancouver-Nanaimo run. Donald McRaid, now on the Princess Adelaide and also well known for years on northern runs, goes to the Princess Elaine and Alexander Dowell transfers from the Princess Mary to the Adelaide. New chief engineer on the Princess Mary will be James A. (Gus) Sullivan from the Nootka. The shuffle of chief engineers becomes effective immediately.

Halibut Landings Heavy

Halibut landings at the port of Prince Rupert for the 1940 season continue to show a large increase in volume over 1939. Up to and including yesterday the grand total for this year was 8,846,519 pounds as compared with 7,363,300 pounds at a corresponding date last year. The great increase is in American landings which have reached an aggregate of 5,193,600 pounds as against 4,032,000 pounds at the corresponding date in 1939. During the past week landings amounted to 624,000 pounds of which 332,400 pounds was from Canadian vessels and 291,600 pounds from American. Prices during the week held up well although showing a slight tendency towards falling off towards the end of the week. The high price of the week was 10.7c and 7c paid the Morris H. for 14,000 pounds and the low 9c and 7c which the Cape Race and Hellen II. received for 7,500 and 13,000 pounds respectively. For American fish the high price of the week was 10.3c and 7.5c which the 312979 was paid for 1,500 pounds and the low 9c and 7.5c which the Pioneer III. received for 19,000 pounds.
