More Reasons Why Wm. Manson Must be Defeated Stated by His Apologists

1. Alderman Douglas, one of William Manson's most able supporters, had to admit the spinelessness of his candidate at the Conservative smoker, and said: "I will put starch into his back and make him take it."
2. Mayor Newton, the latest leader of public opinion to be whipped into line by Ring domination, says: "All of us make mistakes. William Manson has made his." And Mayor Newton crawls down from his pinnacle of whilom independence and entreats us to return William Manson to continue his costly mistakes.
3. The political epitaph of William Manson can be written in the simple prayer: "And we have left undone the things that we ought to have done."
4. R. A. White, the chairman at the Conservative smoker, is another of the apologists for his candidate. He asks that William Manson be sent back to Victoria and thus "Give the devil his due."
5. The Ring morning newspaper frankly states that the level-headed electorate of this district will not be misled. No one, not even those of the Ring, are trying to mislead the electorate in regard to William Manson. His leading supporters frankly agree with everybody else that he is a proven incompetent. Then why vote for him?
6. That if William Manson was the only possible available candidate it would be better to send a proxy and dismiss the matter from one's mind. To lean upon a reed means constant worry and probable disaster.
7. William Manson has been weighed in the balance and found wanting. His Ring friends admit it, but they have no other available Ringster to take his place.
8. There being no argument, no valid reason whatever given even by his supporters to show cause why William Manson should be again returned, why vote for him?
9. Why not try an entirely new man, one of known ability and fearlessness, such as Alex. M. Manson?
10. Common sense will prompt you to try this man of confidence and competence in place of the man of proven incompetence.

LET THE GOLD-BRICK TWINS DO THE WORK

They're here to speak about the roads, and every other thing in codes. They'll tell you what they've done for you, from Sumas up to Carriboo.

But if you want to "get their goat," just speak and watch them show the yellow streak, from which they take their obnoxious name: "The Gold-Brick Twins," of local fame. It's of public accounts we want to know—and it's up to us to make them show just how much they squandered the provincial dough.

With a stamp and a clamp, that fits tight in our camp, We can fix and can mix, figures dark as the Styx; For amounts of accounts juggled high as the mounts Are but boons to us coons with our thirty-second counts.

We've a list we can twist, until nothing is missed, And neat surplus galore, nailed tight to the floor. If members complain of our gay, golden reign, We tell them—compel them—to help in our gain.

Our government's two—that's me, Bill, and you. Any other we smother, as we might one another, If I cared, or you dared, to go unprepared, When we stand with the band though our friendship's declared.

NOTES AND COMMENTS.

Lives there the man with back so weak Who never for his district would speak? Answer: William Manson during his whole term of office as member for Skeena.

William Manson has privately promised so many licenses up and down the Skeena that its banks will rival the Bowery when there are two hundred saloons to the mile.

William Manson would make an excellent confidential clerk, but never was qualified for the legislature.

The government wharf, of which the flunkey often speaks, is a failure. It has not the strength of the Grand Trunk wharf.

Our timber gone, our lands gone, and only seven millions of dollars to pay for the whole Province of British Columbia. Every asset alienated to the speculator.

When it was stated to William Manson that a divisional fire warden was employed by a private concern at Kitselas and was drawing pay from two sources, William failed to make reply.

The Tammany organization was a novice in the game of machine politics. For the genuine article apply to the two-man government.

DO WE WANT "A FRIEND AT COURT"?

The Trombone tries repeatedly to make out that William Manson has proved himself "a friend at court" for the Skeena riding, in the effort to counteract the Liberal candidate's direct declaration that the "friend at court" claim is a fallacy and a fraud without one fraction of advantage in it for Skeena. The Trombone quotes the figures given below in support of its absurd claim. Study them, just study them!

UNDER LIBERAL MEMBER.		UNDER WILLIAM MANSON.	
1908	\$25,000	1910	\$150,000
1909	\$75,000	1911	\$225,000
Appropriation for 1909 nearly three times that for 1908. At the same rate the Liberal member would have secured for 1910 at least \$200,000.		Appropriation for 1910 only double that for 1909. Appropriation for 1911 \$75,000 short of being even only double that for 1910.
