### B.C. Pictures Are Enjoyed

Dr. Carter And Dr. Large Tell  
Gyros Of Summer Travels—  
Hoedown For Hospital Aid

Various parts of British Columbia were pictured for members of the Prince Rupert Gyro Club and guests at the regular weekly luncheon Wednesday by Dr. Neal Carter and Dr. R. G. Large who joined in presenting an interesting display of colored moving pictures taken in the course of travels during the past summer. Dr. Carter's pictures featured the new Columbia River Ice Field Highway between Lake Louise and Jasper Park with some scenes around Cedarvale and the Seven Sisters Mountains. Dr. Large's pictures were taken in the course of a motor trip down Vancouver Island, through the southern interior to the British Columbia Medical Association convention at Nelson and on to the central interior including a fishing trip into the Babine district and golfing scenes around Hazelton. President G. A. Hunter was in the chair and expressed appreciation to Dr. Carter and Dr. Large. Luncheon guests were Dr. Neal Carter, A. E. Meadows and C. E. Starr of Prince Rupert and Albert Bacon of Vancouver.

At the suggestion of the chairman of the committee in charge, W. F. Stone, the club agreed to devote the proceeds of next Thursday night's Halloween dance towards providing the Prince Rupert General Hospital with an incubator. Arrangements for the big dance, which will embody many novel features and which is expected to draw out a great crowd, were reported well under way. Committees include William Cruickshank and W. M. Watts in charge of games; C. C. Mills and Arnold Flaten in charge of refreshments; G. A. Hunter, publicity, and H. S. Meadows, J. H. Bulger, Dr. H. N. Brocklesby and Frank Skinner at door. Dr. R. G. Large and all other club members will carry out the decorations.
