SMITHERS, June 7.— Hon. W. J. Asselstine, Minister of Mines, accompanied by E. T. Kenney, M. L. A. for Skeena, arrived in Smithers on Saturday morning to look over the country and make acquantance with the people, this being the first visit of the minister to this district. Rain Needed In Interior

Ground is Becoming Very Dry and Crops Require Moisture

SMITHERS, June 7.—The weather in the Bulkley Valley remains fine and dry and the time has arrived when a good soaking rain will be much appreciated by the farmers. The ground is now getting quite dry and it is hoped that rain is not far off. Crops have done very well so far but will need considerable moisture to continue in a satisfactory manner.

Danger of forest fires is also increasing with each day of continued dry weather. To date there has been no fire started in the district and it is hoped that the weather will change before any do get started.

GAY MUSIC FILM HERE

Kay Kyser and His Orchestra in "That's Right—You're Wrong" At Capitol Theatre

Kay Kyser and his popular radio orchestra make their initial film appearance in "That's Right—You're Wrong," which is the feature offering on the screen of the Capitol Theatre here at present.

The theme is that of many hilarious troubles that encounter Kyser and his musicians when they abandon a weekly radio program to accept a handsome Hollywood offer. Side-splitting complications arise when the group reach the film capital and proceed to proceed to make a picture.

Blended into the story are five song hits—"The Answer is Love," "Happy Birthday to Love," "Fit to be Tied," "Chatterbox" and "The Little Red Fox." Well known vocalists present the songs.

Adolphe Menjou has the co-starring role in the picture with Kay Kyser, others in the cast including such favorites as May Robson, Lucille Ball, Edward Everett Horton, Roscoe Karns and Moroni Olsen.
