NAZI SHIPS SHOT DOWN

Raids on Both Great Britain and German Are Continued

BLITZKREIG EXPECTED LONDON, July 24: (CP)- A close guard is being maintained along the British coasts for a start of the German blitzkreig expected at any time now. Over sixty German and British planes clashed in a terrific battle over a southeast coast town today. Six German fighters were shot down, bringing losses to nine with three previously shot down in raids over Wales and southwest Scotland and attacks on convoys in the was caused in the raids. One German plane crashed in full view of many spectators in a street near a cottage. The plane was smashed against England but was now at Malta alone. taking advantage of a military full to reinforce its economic posiharassing air raids were being

continued on the British Isles. LONDON, July 24 .- During the planes continued their air raids on the British Isles. Starting last night around northwest England Meanwhile, the Royal Air Force, against this. was also active in the attack on! military objectives in Germany and TO KEEP en, Paderborn and the Ruhn were among enemy points to be raided.
