Letters to the Editor

To the Editor of the Daily News: Dear Sir,-Kindly allow me a short space in your columns for a few remarks.

I noticed in Saturday night's paper that the council had decided to pay the assistant city engineer a month's salary, durling which time he was indisposled. Very well!

Now, I would just like to ask the city council, which is supposed to be looking after the city's money, if one of the employees of the city working for 45c an hour should happen to get hurt or taken sick and indisposed for a month, would the city council be good enough to grant them the same?

I can't see why people who work in the city hall are any better than those who work outside. when they are only working for a salary. I fail to see why our loney should be spent in this way, when necessary work postponed indefinitely for lack of funds.

This council has been asked to put a sidewalk between 4th Avenue and 5th Avenue, Young Street, so that people can get across to the Presbyterian | Hall, but there is nothing doing. Yet when a hotel wants a crossing they get busy and have done right away.

Thanking you in advance for space in your valuable paper.

"HOUN' DOG" CASE

ing argument in the case o George Turnbull, charged with the killing of a dog belonging to Mrs. Carl, was completed, but so many points having been raised bearing on the legality and illegality of dog slaying Magistrate Carss reserved his decision until tomorrow, to give him time to look up the authorities quoted and precedents.

was that the dog wore a tag and was therefore entitled to the freedom of the city, yet the pet wan shot and killed dead as a door mat without cause.

Circumstantial Rumor That the Famous Miss Christabel Pankhurst Was Seen on Hastings Street by Man from Winnipeg.

That Miss Pankhurst, the fuglitive suffragette leader, may be now on the Pacific coast is the latest rumor regarding the daring young lady whose disappearance from all ken in England after the recent suffragist trouble is the most remarkable feature of the affair. Lionel Danes, newly arrived from Winnipeg, stated REQUIRED-1 stickerman, 2 carpenters the other day that he saw the famous Christabel walking along on Hastings street, Vancouver. with another lady whom he did not recognize.
