Our Apology

Owing to the large crowds which thronged our store this morning many were unable to get the usual Watts & Nickerson service. We can assure these people that there will be plenty of bargains offering each day, just as good as those our customers carried away this morn-

Tomorrow the store will be open all day until 10 p.m. with just as fine a lot of marked down goods as we had today. Join the happy throng of buyers who are getting this season's men's wear at real bargain prices and saving money for themselves.

Monday is a holiday and the store will be closed all day, but will reopen Tuesday with an even better display of these new clothes at second hand prices.

This is the sort of sale that comes only about once in a life-time.
