HIT BEHIND IF NECESSARY

most others a few people who are enemies of the country

in which they live and who would very much like Germany

to win in the present war. When they find their stand is

contrary to all sense and reason they hark back and throw

up something that was done in past years to show how bad :

the British Empire is. They use the flimsiest arguments

stay in Canada if it is such a bad place in which to live. If

Germany or Russia or Italy are so much better than Can-

ada, why do they not go and live there? Canada certain-

ourselves to a better way of life when along come the dic-

tators and try to put us back a century to the days when

might was right and the poor and the weak had no rights

THE RIVAL FLEETS

do not always count and that various other factors besides

numbers are important, it is interesting sometimes to com-

pare the respective powers. Here then are a few compari-
