To Our Many Friends and Customers in the City and District

As reported in the press recently, we have disposed of our business to Watts & Nickerson.

Through the years, since 1911 when the business was established, we have always endeavored to supply our customers with the best quality only, believing that they would prefer known quality at a fair price rather than an inferior make at lower cost.

That this policy has been justified is attested to by the support that you, our friends and customers, have given us since we first opened our doors for business.

We are deeply appreciative of your patronage and loyalty. Please accept our grateful thanks.

Accounts due this firm may be paid at the store in the regular way.

We are confident that our successors, Watts & Nickerson, will continue to serve you well and bespeak for them a continuance of the support you have so generously accorded us.

"United and Resolved"

RT. HON. WINSTON CHURCHILL

"The British Empire stands invincible . . . Our people are united and resolved as they have never been before . . . with the conviction of final victory burning unquenchable in our hearts." In these ringing words of confidence, Prime Minister Winston Churchill has expressed the fighting spirit of the British people—their grim determination to prosecute this war until tyranny is ended and freedom finally triumphs. "United and resolved" symbolizes the spirit of nearly four million Canadians banded together for mutual protection through the great co-operative enterprise of life insurance. These good citizens know that life insurance has weathered every storm in the past 100 years—and that it promotes national security and stability. It is good citizenship to own **Life Insurance**
