Peoples Many Suffer Low Blood  
Count—And Don't Know It

The baffling thing about low blood count is that you can weigh about as much as you ever did—even look healthy and strong, yet you can feel as if you had lead in your legs, doxy, tired and peevish.

Low blood count means you haven't got enough red blood corpuscles. It is their vital job to carry life-giving oxygen from your lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to explode the energy in your body and give you going power.

Get Dr. Williams Pink Pills today. They are world-famous for the help they give in increasing the number and strength of red corpuscles. Then with your blood count up, you'll feel like bounding up the stairs as if you were floating on air. Ask your druggist for Dr. Williams Pink Pills today.

Prince Rupert, it is announced today. Effective November 1 with ticket sale up to February 28 and return limit March 31, the round trip fare Vancouver to Prince Rupert and return will be \$36. In the reverse direction—Prince Rupert to Vancouver and return—there will be a similar round trip fare, tickets selling December 10 to 31 with January 17 return limit.

Two Celebrities of Screen Co-Starred in "Sidewalks of London"

Co-starring two of the leading celebrities of the screen, Charles Laughton and Vivien Leigh, "Sidewalks of London," a story of the old show days of the British metropolis, is the feature picture on the screen of the Capitol Theatre here tonight and Friday.

Laughton and Miss Leigh are presented as "busker" sweethearts who lead a precarious but picturesque existence entertaining queues of patrons outside the legitimate theatres. The romance hits a squall when it becomes apparent that the profession of "buskers" is doomed to rapid extinction. Miss Leigh decides to ditch it and blast her way to fame in the theatre but Laughton maintains that street entertaining is still good as a career. After a series of battles, reconciliations and scrapes, Miss Leigh has a spectacular rise to the top while Laughton remains a down and out busker. The story reaches a dramatic climax when Miss Leigh tries to open the door to her former sweetheart.

"Sidewalks of London" is a British production.
