SWEDISH WAR LOSSES

Shortage of Food, Clothing And Other Necessities Of Life In France Already

LONDONU, Sept. 13: (CP)-Numerous acts of sabotage, such as the cutting of telegraph and telephone wires, are reported by people arriving at Lisbon from France, says he correspondent of the London

Daily Telegraph. At Bordeaux the Germans have issued proclamations saying that tire population will be heavily punished, says the correspondent who adds:

"Much discontent has been caused among the French by the! stopping of communications between occupied and unoccupied that time, they were ready for a territory, except for persons on special missions.

up. Both men and women have

been sent to concentration camps "An increasing shortage of foodstuffs, clothing and almost all the necessities of life is reported. In a mile up in the air. They cilmb-decay. non-occupied territory, fruit is labout the only thing fairly plentiful. Bread is black and sour, eggs are very scarce; cheese and potatoes are scarce: sardines and jam are unobtainable; there is little meat, and rice and macaroni are rationed severely."

New Altitude

Captain Roy Durnford Explains How He Reached Point Nine Thousand Feet Up Mountain

The joys, trivial happenings and tribulations of mountain climbing were fully explained to the members of the Prince Rupary Rotary Club at its lu cheon yesterday by Capt. (Rev.) R. C. H. Durnford who, with a party led by Dr. Neal Carter, climbed to within . thousif the sabotage continues, the en- Seven Sisters at Cedarvale. The and feet of the peak of one of the feature of the trip was spending the night on the mountain during rain and fog with nothing but a hard biscuit to chew.

Capt, Dunrford said they climbed 2,300 feet the first day and, by rest. They spent Sunday just wan-

ed scree, crossed a huge glacier and got to within a thousand feet of the top of the mountain when key were enveloped by fog and cided to return. Som. members of the party wished to proceed but better counsels prevailed and they started for the base. Rain came, the wind blew and altogerner it became very uncomfortthey discovered something fami-

ward camp. Captain Durnford described in some detail his first experience in sliding down a glacier with only the whole the climb was an outwould not on any account have
