PEG: "We need a rug for our living room, but we just can't afford . . . "

MEG:"Anybody can afford a Congoleum Rug! And Congoleum is not only economical, it's the easiest thing in the world to keep clean! You can wipe up spots in a jiffy, and an occasional waxing keeps it marvellously bright and new! You don't have to tack it down either-it stays flat without fastening of any kind!"

PEG: "But how could I ever get one to harmonize with my walls and furnishings?"

MEG: "Oh, Congoleum dealers have dozens of lovely colour combinations to choose from, and the smartest designs you ever saw!"

PEG: "Then let's go and see the new Congoleum patterns today!"

N.B.—Remember, Ladies, to look for the Gold Seal for lasting satisfaction!"
