Plan For Coverage Of Military Patients In Hospital-Other Business At Local Board Meeting

board of directors of the Prince Rupert General Hospital Association, at its regular monthly meeting last night, decided to adopt a uniform agreement which has been negotiated between the Ca-Department of National Health covering the treatment of military patients in hospitals throughout the Dominion. The basis of the fees is \$3 per day for public wards. \$3.50 for semi-nri "te and \$4 for private. One of the points on JAPS ARE which the local board seeks a definite understanding is in regard to the basis on which mililary patients shall enjoy private or semi-private ward treatment. There has already been some difficulty in that regard here, certain May Strike Lightning Blow Timed officers having been given private rooms and dispute arising as to responsibility for the payment

national unemployment insurance declaration of war. legislation. As the legislation provided for contribution by employ- States is also developing. ers, the local board had opposed Straw Vote Heavily in Favor of the scheme but hospitals in the province as a whole were eight in AIR TOLL favor, three opposed and three AIR TOLL non-committal.

The board, asked for its opinion, taken a poll on the question "Are felt that it was desirable that the annual convention of the British Continuing as Prime Minister?" Af- Columbia Hospitals' Association should be held as usual this month. The war had brought up questions of importance in respect to hospitals and it would be beneficial, it was felt, to have these discussed. The convention will be held, it is planned, on October 17, 18 and 19 at Vancouver. Among those attending will be Dr. George Stevens, president of the Canadian United States, However, Will Not Hospital Council and medical superintendent of Royal Victoria Hosnital at Montreal, as well as Dr. Harvey Agnew, president of the

AGREEMENT Mussolini's Turn To IS REACHED Have Taste of Might Of British Air Arm

with certain reservations, the Fifteen Enemy Planes Brought Down Over Libya Today -Britons, Outnumbered Two to One, Lose Only Two Ships

CAIRO, August 9: (CP)—It was Italy's turn today to filer a major reverse in the air war. An official Royal nadian Hospital Council and the Air Force communique announces that fifteen Italian planes were shot down in the "biggest aerial battle over Libya" in which the British were outnumbered two to one. Two British planes are missing. In Rome typically decep

tive Italian claims try to interpret the battle as a victory for the Fascist planes.
