WALLS AND CEILINGS ON A *Safety Basis*

Get Genuine Gyproc—identify it these two ways:
1. Look for the name GYPROC on the back of every board.
2. Look for the Green Stripe on both side edges. Accept no substitutes.

with **GYPROC** FIREPROOF WALLBOARD

In choosing a wallboard, whether for walls and ceilings of a new building, or for renovations, alterations and repairs, it will pay you to consider these outstanding reasons why Gyproc is superior to ordinary wallboards:

- FIREPROOF—therefore safe
- PERMANENT and DURABLE—therefore economical
- WILL NOT CRACK, WARP, SHRINK or SWELL
- INVISIBLE JOINTS—panel strips are unnecessary
- SMOOTH, DUST-FREE SURFACES—easy to keep clean
- TAKES ANY TYPE of DECORATION—no monotony
- The LIGHTEST WEIGHT gypsum wallboard made in Canada

Gyproc is sold everywhere in Canada. See your local Dealer in Lumber and Builders' Supplies.

A policy of six years standing is again given effect by the Provincial Government with the announcement that farmers will again be given the privilege of working off taxes on their land. The basis of accomplishment will be in connection with two years' taxes.

Farmers wishing to avail themselves of this opportunity should apply to the Provincial Collector between April 1st, and August 31st, 1940, for a certificate of taxes due and then present this certificate to the Officer of the District, in charge of Public Works, for instructions. 56
