Attack on "The Rock" Resumed by nounced by the Air Ministry, locks French Planes Today-British Retaliate

LA LINEA, Sept. 25: (CP) -Planes from Morocco in waves of four resumed bombing of Gibraltar this afternoon. It is believed that planes were French. They attacked the arsenal and other Yesterday French planes dropped SEA LOSS them falling into the sea.

Meantime British naval forces are said to have struck at French Morocco ports. Reports from Tangier yesterday said that heavy cannonading could be heard from an undetermined source.

After the first bombing of Gibraltar yesterday, vessels of the British fleet were observed leav-

Pounding of Channel Bases and Far Afield Into Germany Continues-Berlin Again

LONDON, Sept. 25: (CP)—The bases in occupied France across the English Channel early this morning to as terrific a bombing attack as they have so far been subjected to. Even on the British side the entire coast seemed to reverberate and tremble. Further extensive

damage was undoubtedly done. During the night there was the third successive air raid on Berlin. Among the objectives hit was a large electrical equipment factory which is an important factor in German war industry.

Along the coast docks and ships were pounded and in Germany canals and locks were hit. The British attack extended to Hamburg and Baltic ports.

Last night's air raid on Berlin lasted for two hours and 48 min-

Yesterday afternoon Royal Air Force bombers attacked enemy mine sweepers in the channel, hitting two and damaging another, the Air Ministry announced. On Monday night, it has been an-

and gates on the Kiel Canal and railroad communications over a wide area of Germany were attacked by Royal Air Force bombers. In the course of the last few days five German supply ships have been sunk and direct hits were scored on a cruiser and destroyer.

FOR WEEK

Sinkings by Enemy Were Less Than Usual During Period Ending September 16

Germany and Italy sank 49,200 tons of merchant shipping during the week ending September 16 compared with the average weekly loss of 54,223 tons, the Admiralty announces. Great Britain lost nine ships, Allied powers four and neu-* tral three.
