ON WATCH! WITH THE DOVER PATROL

Silhouetted against the heaving sea, this sailor aboard a de-
stroyer in the famous Dover patrol, scans the horizon for an enemy
submarine on destruction bent. In the background is another
vessel in the command, which was one of the most famous of the
World War.

DRAMA OF
MEDICINE

Edward G. Robinson Portrays Dr.
Paul Erlich in Thrilling Drama
At Capitol Theatre

"The Story of Dr. Erlich's Magic
Bullet," an entertaining and dra-
matic picturization of the life in the
medical field of Dr. Paul Erlich,
winner of the Nobel Prize for his
scientific discoveries, is the feature
for tonight and tomorrow on the
screen of the Capitol Theatre here.
The picture is constructed along the
same lines as "The Story of Louis
Pasteur." Indeed the two pictures
have a great deal in common, rep-
resenting as they do a new trend
in the moving picture field, namely
entertainment and service.

It so happens also that Erlich was
a friend and disciple of Pasteur and
carried on some of the work that
the French scientist started. He
named and sought that recurrent
dream of every sincere microbe
hunter, a magic bullet which would
kill microbes just as a cartridge
from a rifle will kill big game. For
Dr. Erlich this dream came true, to
the infinitely great benefit of all
mankind.

Edward G. Robinson has the title
role of Dr. Erlich and gives a great
performance, it is said. Ruth Gor-
don, famous stage star, Otto Krug-
er and Donald Crisp are among
other prominent members of the
cast.

the President and Mr. MacCallum
replied briefly.

Other guests were Major C. V.
Evitt, Capt. J. T. Harvey, G. P.
Tinker, Sergeant C. C. Jacklin, Er-
nest Meadows and Neil Ross.

M. H. McLean, manager of Port
Edward reduction plant, the latest
new member of the club, was wel-
comed.

A suggestion from Hon. J. G.
Gardiner, minister of national ser-
vices, that members of the Gyrco
Club might offer their services as
volunteer assistants in connection
with the taking of the forthcoming
national registration of Canadian
national power was passed on to the
club.

Announcement was received from
the recent district convention at
Portland that the Prince Rupert
Gyrco Club had again been awarded
the cup for the best club bulletin
in the district. Dr. H. N. Brockles-
