Students' Council Of High School In Regular Session

With the president, Jack Hopkins, in the chair, a meeting of the Students' Council of Booth Memorial School was held yesterday afternoon. The treasurer's report showed a balance of \$278, contributions of the Prince Rupert Association having made possible the completion of the payment for the gymnasium.

Arrangements have been made to purchase two sets of boys basketball sweaters and one for the girls.

Tentative arrangements were made for the holding of a Valentine dance with Guy Thorne, Jack Hookins and Ralph Morin as the committee in charge.

Forestry Program

OTTAWA, Jan. 23: (CP)-Thous ands of young Canadian men work under the national forestry proist attraction, D. Roy Cameron of days' imprisonment, in city police tion here today.

There has been some misunderstanding in the public mind as to the true aims of the National Forestry program," said Mr. Cameron. "The primary objective is not to train forest workers but rather to increase the morale and physical fitness of the enrolees and to give them confidence in their ability to handle themselves in any work they may secure.

"The purpose of the forestry instruction given is twofold: first, to enable the enrolees to understand the reason for the work they are doing; and second, through the enrolees, to spread ay knowledge of the value of our forests among the general public."

Many Camps There were 27 Dominion government camps and a number of similar camps operated by the provinces which share the program with the central government. Government forestry experts lectured the boys and physical training instructors kept them fit, he said.
