HELPING you to get more enjoyment from your camera

is our business. That's why we recommend that you load

with Kodak Film. Versatile Verichrome Film, for example,

gets the picture on dull days or bright. Plus-X has latitude for

wide-range snapshooting with miniature cameras. Panatomic-X

makes needle-sharp negatives that yield generous enlarge-

ments almost free from grain. Super-XX has the speed you

need for snapshots at night with photo lamps. We feature

them all here at our store, together with a capable developing,

printing, enlarging service that matches the ability of Kodak
