LONG past is the day when a hole in the ground was regarded as the best place in which to keep savings. Modern banking, evolved by man as a convenience to serve his developing needs, now provides the solution. As a depository for his money today the Canadian relies upon his bank. (I From the days of the old-world goldsmiths of centuries ago, to banks, bank notes and deposit accounts which meet so efficiently the greater business and human needs of today, is a far cry indeed. (Canada's chartered banks, with their wide distribution of branches throughout the Dominion, now provide deposit and other banking services in line with up-to-date requirements and in keeping with Canada's position as an important factor in world trade.

In war, as in peace, Canada's Chartered Banks maintain, uninterrupted, all their services to depositors, farmers, manufacturers, exporters—facilitating the nation's business—looking forward to peace with freedom as the only sure basis for enduring prosperity.
