ELECTRIC RANGES can always be trusted!

em. I'LL cook 'em, and never miss a move. My action's automatic, you see: you just set the oven at the desired point and go about whatever else you wish to do. There's no need to peek or check up on me; you'll never find me loafing for I love good food and my biggest pride is to cook it right, with all the flavour and nourishment retained. Electric Cooking costs so little, too; just a few cents a day. And it keeps your kitchen cool and comfortable and ends the mess and risk of matches and open flames.
