CITY MIGHT HELP

Editor, Daily News: Commerce and the Horticultural Society have asked the co-operation of the citizens of Prince Rupert in

staging a clean up week from April

I think that it is a very good idea but I am of the opinion that the city should be also asked to do its share in this scheme. While the individual property owner might do his level best to clean up and beautify his grounds his natural satisfaction is considerably soured by the condition of the city's portion along the street line.

The section that I am particularly interested in in the way of clean up is that section on Ninth Avenue east of McBride which has heaven and is certainly an eyesore to us who live in the vicinity. 1 suggest this ditch be boxed in and covered over before some tourist does take a picture of it.

Thanking you, Mr. Editor, for the
