Only GYPROC Fireproof WALLBOARD (Made from Gypsum Rock) Combines All These Advantages:

**1. GYPROC Gives You DOUBLE Fire Protection**

Gyproc Wallboard will not burn, and in addition it acts as a protective shield for any wooden frame it covers—thus it actually helps check the spread of fire.

Note: Many types of wallboards are not fireproof.

**2. GYPROC has 4 Bevelled Edges**

And that means that joints may be filled flush—so your walls and ceilings will be beautifully smooth, free from unsightly joints. This is why only when you use Gyproc can you decorate your rooms to suit your individual taste.

Note: Flush, seamless walls and ceilings cannot be obtained with ordinary wallboards, so that your choice of decorative treatment is limited.

**3. GYPROC Wallboard Saves You Costly Repairs**

No warping, sagging or cracking of walls and ceilings built with Gyproc—they'll be good for the lifetime of your home. If you are looking for lasting, permanent beauty in your walls—buy GYPROC.

Note: Ordinary wallboards cannot guarantee you this performance.

FREE SAMPLE and Illustrated Booklet will be mailed on request to Gyproc, 50 Maitland St., Toronto.

Capt. G. W. Marsden Heard By Local Graduates' Association—Discussion On Nursing Trends

First hand information on affairs in the Far East conditions in Shanghai in recent years and life among the Chinese people, was given in an interesting address given Monday night by Capt. G. W. Marsden, commanding officer of the Fourth Fortress Electrical and Maintenance Company, Royal Canadian Engineers, before the regular monthly meeting of the Prince Rupert Registered Nurses Association. The address by Capt. Marsden, who has lived in India and China since 1923 and was an officer in the Engineers of the Shanghai Volunteer Corps, serving during the Shanghai war of 1937, was very much enjoyed.

The meeting was held in the Nurses' Home of the Prince Rupert General Hospital and there was a good attendance of members including some newly admitted ones. Miss Margaret Jamieson R. N., lady superintendent of the Prince Rupert General Hospital, led a discussion on "The Challenge of Present Day Trends in Institutional Nursing."

Miss E. D. Priestly R. N., the president, was in the chair.

school, opposite the island airport, was also inspected. The aviation writers expressed themselves as greatly impressed at both the smooth operation of the Trans-Canada Air Lines organization, their speedy schedules and high standard of service shown to passengers.

They stated that, after having travelled on every air line in the United States from coast to coast, Canada had reason to be proud of its national air service.

Mrs. Alfred Jacobsen Passes Away  
On Tuesday Evening at Prince Rupert General Hospital

After a lengthy illness, Mrs. Britta Jacobsen, wife of Alfred Jacobsen, well known local halibut fisherman, passed away at 6 o'clock last evening at the Prince Rupert General Hospital. Her husband is a member of the crew of the Dove B. which arrived in port from the banks during the night.

A native of Sweden, the late Mrs. Jacobsen came to Prince Rupert in 1910 and made her home at 341 Ninth Avenue West. Many friends will regret to learn of her passing. It ended a period of long suffering.

The funeral will take place tomorrow afternoon from the chapel of B.C. Undertakers.
