COLUMBIA IN PROBATE In the Matter of the "Administration

Donald Crerar, Deceased

DATED the 28th day of January A.D. Official Administrator. Prince Rupert, B.C.

You will be glad of them later.

Canada's 2,000,000 wage and salary earners are asked to save—every week and every month—to help provide arms and equipment for our fighting forces.

In Total War, civilians must fight, too. Their weapon is their money. You can fight with your money, as it provides the sinews of war.

The bounden duty of every civilian, therefore, is to save to the limit of his or her ability and loan the savings to Canada by investing in War Savings Certificates.

Remember, you are not asked to give your money, but to loan it. For every \$4 you loan now, you will get back \$5 in 7½ years. Your savings will earn 3% interest.

Tens of thousands of men and women have already pledged themselves to invest in War Savings Certificates by means of the Payroll Savings Plan which is now in operation, or which is being organized by every employer. But tens of thousands are not enough. There are two million wage and salary earners in Canada, and every one is expected to do his or her share.

If you have not already done so, pledge yourself and invest by means of the Payroll Savings Plan. Canada asks no more of you. Your conscience should demand no less of you.

Just how much you can invest will depend upon your circumstances. Do all that you can. The following table is suggested as an average basis for saving:

Maturity Values of Earnings per Week Savings per Week Annual Purchases Up to \$20 25c to \$1 \$15 to \$65 Over \$20 to \$30 \$1.25 to \$2 \$80 to \$130 Over \$30 to \$40 \$2.25 to \$3.50 \$145 to \$225 Over \$40 \$3.75 to \$9.25 \$245 to \$600

### To Employers

Take the initiative. Urge your employees to save. Give them leadership. If you haven't already done so, organize a Payroll Savings Plan at once. See that everyone participates in it. The Payroll Savings Plan has proven to be the most satisfactory method for getting employees to save and invest regularly.
