Campaign Is On - - .

The Victory Loan campaign is on and this week will see the biggest part of the canvassing carried out. It is an all out effort to raise money voluntarily for the carrying on of the war so that the Canadian forces shall not be at the mercy of the mechanized units of the Germans. Nobody is asked to give anything. All that is asked is that a "want ad." in the Daily News. they buy.

The appeal is particularly to those who have money in the savings banks or in current accounts in the banks. They are asked to purchase to the best of their ability.

It has been rumored in some places that this money is to save the English. It is not to save anybody. It is to destroy Hitlertism and to enable the world to carry on decently without terrorism and destruction. Hitler should be destroyed just as we would destroy a poisonous snake. He is a real danger to the whole world.

Feeding British People - - -

The British people are being rationed and there are certain rules and regulations in regard to it that have to be obeyed. We have heard of local people sending through food supplies. While we do not know their regulations, it is evident that British people must not buy goods from outside points. A recent case is reported of a lady in Devonshire who received a shipment of bacon from friends in Ireland and who asked for more, offering to pay wanted wire-haired terrier pup. for it. The letter she wrote was intercepted by the cen- | Red 942. sors and the lady was fined twenty pounds and costs. She WANTED— Capable girl to do was convicted, not of receiving the goods but of trying to get bacon from Eire in contravention of the rationing order.

Women In Fighting Forces - - -

"The way women's auxiliary services in Great Britain have supplemented the fighting forces gives sound precedent for recruiting women in Canadian auxiliary services," says the Winnipeg Free Press. Not alone have some women's auxiliaries in Britain given admirable service, but they have proved themselves so adept in some GIRL branches that many men have been released for more combatant duties.

"Such units as the Auxiliary Territorial Service and the Women's Auxiliary Air Force were said by the British sacretaries for war and air to have become invaluable and to show an efficiency that permits them taking over many responsibilities previously entrusted only to men.

"Of course these women are employed only at work for which they have special aptitudes, but the range of that work has expanded immensely.

"Both these women's organizations have now been definitely declared members of the Armed Forces of the Crown. Each is given full military status.

"That Canadian women are as capable and probably are as desirous to perform the duties of similar auxiliary corps to release man-strength for more combatant duties, may be inferred from the fact that though comparatively few Canadian women are serving in the British women's auxiliaries, it is notable that so many are outstanding in the Women's Auxiliary Air Force, and some have been promoted to commissions in the force."

Terrace Lost Double-Header Played On Victoria Day

USK, June 2:-All Usk, and most of Terrace, turned out in grand style to celebrate May 24 at Usk.

Children's sports dominated the McClausland 3b. forepart of the afternoon while the remainder of the sunny day Thompson s.s. was used to good advantage to turn back in a very decisive fashion two picked teams of Terrace Hard- Tompkinson l.f. ball players. First Usk defeated the Terrace High School boys by a score of 19 to 3. Quickly following Green p. this the same Usk team easily sent the Terrace Seniors down to defeat by a score of 25 to 9.

The opening looked glum for Usk. Later on the story was much different as Usk got her big guns going so that the runs came in on the heels of one another. At Bury c. the end of the sixth inning, Terrace had had enough. They wanted no more.

Usk was invited to Terrace over next week-end so that the latter might get her revenge.
