SMITHERS

Mr. Chamberlain of Vancouver. a member of the staff of the Dominion Government Telegraphs, arrived in Smithers on Saturday to relieve J. Smith of the local staff who is leaving immediately for his period of training in the military camp at Vernon.

Mr. Chamberlain has already made many friends in town and, being an experienced bandsman, he immediately identified himslf with th local band.

The Smithers Brass Band of

During the concert Mr. Gray was given a presentation by the band. J. M. Collison, President of the Band Association, made the presentation and Mr. Gray made a pleasant speech in reply. J. W. Turner, president of the Hospital Board, also spoke on behalf of the management and for the Sisters of St. Ann, expressing the thanks and appreciation of all concerned for the concerts given occasionally by the Band.
