and I Don't Mean 'Maybe'

I know radio sets from the INSIDE; you

see I'm the fellow who actually runs 'em,

so when I plump for these new models, it's

because I have inside information. I know

how they're built and how they operate

and I know the quality and consistence

of their performance. They're easy to dial;

easy to regulate for volume. They set a

new high standard of radio entertain-
