Civic Centre Carnival < Presents Fine Program Starting Next Week

A five-day celebration embodying many new features and retaining the best old ones, the main objective of the Carnival to be held in Prince Rupert next week is to raise funds to further finance the construction of the proposed Civic Centre. Aside from this chief aim, the committee in charge is bending every effort to ensure that every

tic display on Tuesday night will &

be something worthwhile. It is said \$

by Director Cecil Shantz that it
