RECRUITING PROCEEDING

Approximately 1000 men are urgently required to fill calls for reinforcements for overseas and ranks of local active service units in British Columbia, it is announced. The call is for men between the ages of 18 and 45, it being definitely understood that eighteen-year-olds are not eligible in coast defence units and under no circumstances will be permitted to leave their local stations until they have passed their nineteenth birthday. There is a large call for all man-

ner of skilled tradesmen but, in order to help fill the large number of vacancies for tradesmen, another series of army trade training classes will commence on April 21, continuing for three months. The courses will include carpenters, motor mechanics, instrument mechanics and blacksmiths. Of course, such training will also prove of value in civilian life after military service is over.

Men from Prince Rupert district will be examined and enlisted in Prince Rupert.

Salvation Army Holds Meeting

Very Enjoyable Gathering Held Last Week-End in Interior Village

KITSELAS, April 10.—A tea meeting under the auspices of the Home League of the Salvation Army at Kitseles on Saturday last was held in the Salvation Army Citadel. It was a highly enjoyable affair, being attended by almost the entire village population. Members of other religious denominations in the village co-operated and were in attendance.

The program was an excellent one including congregational singing, speech of welcome by Envoy Walter Wright, solo by Miss Rita Lawson, recitation by Miss Molly Harris, lecture on "The Pioneer Missionaries" by Adjutant Mark McKay, vocal duet by Miss Amelia Bevan and Miss Laura Hudson, speech by Sergeant Major Robert Harris, solo by Kenneth Harris, recitation by Ralph Turner, duet by Mrs. G. Turner and Miss Phyllis Kennedy, duet by Adjutant McKay and Envoy Wright, comic solo by Miss Harriet Bolton, duet by the Misses Priscilla and Beatrice Bevan, speech by Solomon H. Bevan, reading by Miss Rosie Seymour, quartette by Mr. and Mrs. J. Cecil, Miss Flora Bolton and Miss Amelia Bevan, trio by Mr. and Mrs. B. Seymour and Mrs. J. George.

NO PAPER TOMORROW Friday, being Good Friday and a public holiday, the Daily News will not be published. The next regular issue will appear Saturday afternoon.

Local school teachers sailing tonight on the Prince George for Vancouver to spend the Easter vacation and attend the annual convention of the British Columbia School Teachers' Federation include J. S. Wilson, Miss Joyce Edgcombe, Miss E. A. Mercer, Mrs. B. Walker, Miss Mary Hartin, Miss Irene Mitchell, Miss Frances Wilson and J. B. Wilkinson.

G. R. S. Blackaby, manager of the Bank of Montreal, gave an address before the Prince Rupert Rotary Club today at the regular weekly luncheon. It was both interesting and entertaining. Dr. Neal M. Carter was in the chair and there was a good attendance of members with a few guests. Mr. Blackaby's subject was "Bulls and Pipers and Literary Lapses" and his talk was very entertaining.

KISS YOUR TIRED FEELING GOODBYE!

Peoples Many Suffer Low Blood Count—And Don't Know It.

The baffling thing about low blood count is that you can weigh about as much as you ever did—even look healthy and strong, yet you can feel as if you had lead in your legs, dopey, tired and peevish. Low blood count means you haven't got enough red blood corpuscles. It is their vital job to carry life-giving oxygen from your lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to explode the energy in your body and give you going power.

Get Dr. Williams' Pink Pills today. They are world-famous for the help they give in increasing the number and strength of red corpuscles. Then with your blood count up, you'll feel like bounding up the stairs as if you were floating on air. Ask your druggist for Dr. Williams' Pink Pills today.

RAIDING DOGS
Editor, Daily News:
People who keep chickens or rabbits should beware of two dogs—one brown and one white—that raid chicken coops in the middle of the night. They killed sixteen laying hens of mine on April 7 during the night. These hens were very well cooped in.
