**Just Rambling**  
BY ANNA MAY ULLMAN  
South Hazelton

Getting a new Chinese cook at a camp or hotel is a rather expensive business. For although each one is clean about his work and his person, he says about his predecessor, "Him too dirty" or makes some other disparaging remark. Thereupon he gathers up all the other cook's pies, cakes, bread and cooked meat which he dumps into the garbage can. Then, with the air of one who has washed his hands of a disagreeable job, he bustles about the kitchen, baking fresh bread, new

pies, his own varieties of cake, cooking meat, etc. A friend swears that the reason cook Lee Quoy likes him so well is because he once helped the newly arrived Oriental to throw out his predecessor's pies at a local pole camp. At the outpost of Telegraph Creek, some of the young bucks buy their wood ready-cut while living in town. They are not lazy, by any means, but think that wood cutting in town is the "jail-man's job"—a disgrace. For the Provincial Constable puts short term prisoners to work on the wood-pile for infractions of trapping laws. But cutting wood on the trapline? That's different. The Constable has no trapline, therefore does not need wood cut out of town.

Canadian War Services Fund Drive In Smithers District Is Well Under Way

SMITHERS, March 28: — The committee in charge of the campaign for the collection of funds for the Canadian War Services has become very active and arrangements are all made for the handling of the drive in Smithers, Telkwa, Hazelton and districts.

In Smithers Harvey Davies is chairman of this committee while H. B. Campbell is treasurer and L. H. Kenney secretary.

In Hazelton, Adjutant E. Brunson of the Salvation Army will head the campaign while C. R. Bussinger will look after Telkwa.

At the last meeting of the committee in Smithers there were twenty-five present to assist in the arrangements for a parade through the town on Saturday evening when the High School Cadets will parade under K. G. Houghton, instructor, and the Smithers Brass Band will play a concert on Main Street.

Constable Todd will head the cadets with the bagpipes during their parade through town.

This event will start off the campaign locally and the collection of funds will be taken care of by the Smithers and District Chamber of Commerce, the various railway organizations and other local bodies while the pupils and students at the Public and High School will also take part by their contributions at the schools.

The Canadian Legion has also been active and has already contributed a substantial amount to head the list of contributors. Every member and every veteran in the district has been circularized and they have responded well to the call.

Before the drive had really started the committee found itself with nearly \$100 in hand that had already been subscribed.

Everything points to a very successful campaign for the War Services Fund.

**SIX APPEALS IN ONE-GIVE!**

SUPPOSE your boy was on active service in Great Britain, Iceland, Newfoundland, or in a Canadian Camp far from home. You'd want him to have wholesome recreation, homelike social contacts and every possible comfort and happiness off duty.

The boys of our fighting forces are our own flesh and blood. From mine, sea, farm and forest and from city, town and village, they have gone forth as defenders of our safety, our homes and our way of life. They have broken home ties, left friends and loved ones, given up the comforts of home.

Six great organizations are united in asking for funds to see that those comforts are provided. Surely we, safe and secure at home, will provide them with moments of happiness.

Let the volunteer helper who calls on you carry back your pledge of loyal support for our fighting men. The boys rely on the folks back home. You never have failed them—you will not now... Give generously in this combined appeal.
