Gyro Club Hears Thoughtful Address by Cecil Shantz Who Was in Charge of Playgrounds This Year

A thoughtful address on the subject of provision and direction the recreational activities for children and youth outside of school or club members, their wives and hours, particularly those who may lack adequate interest, guidance or supervision on the part of parents. was given before the Prince Rupert Gyro Club at its regular weekly luncheon by Cecil Shantz who has been in charge of supervised playground activities for the club here during the past season. Mr. Shantz emphasized the value which he felt a properly directed civic centre here would be in the way of providing healthful activity and a proper and beneficial outlet for the excess enlergy of youth. Provision of such activity would go far in the curing of any juvenile delinquency problem which might exist.

Mr. Shantz spoke of the great and fine effect which proper and judicious parental influence had upon children. Unfortunately, however in many cases there was not this good influence. The schools could not be expected to fill the deficliency so it became a community responsibility to provide a means of meeting the problem of an outlet for the excess energy of the young folk which in some way must be expended after school hours were over. In addition to the facilities. it was very essential that there should be direction which provided interest and commanded respect Those who essayed this task should know something of the mentality and psychology of the young people.

Mr. Shantz told the club how he had enjoyed his work here as director of the supervised playgrounds On account of lack of sufficient He acknowledged the splenommended that they should be used again next year if they were available. He also acknowledged A "spot" costs you only half a the assistance he had been given by

the playgrounds committee, and thanked D. G. Borland, manager of the Capitol Theatre, for the donation of theatre tickets which had been popular prizes.

During the luncheon President Stone, who was in the chair, made presentations to Mr. Shantz, in appreciation of his work as playground director, and to Miss May 3kinner, who was the club's popular candidate in the recent civic cenre carnival queen contest.

It was announced that a picnic families would be held a week from next Sunday, the trip to be made on Dr. R. G. Large's fine new power Digby Island. acht Soogwilis.

Guests at the luncheon included Dr. John J. Gibson as well as Mr. shantz and Miss Skinner.
