## RECOVERY OF LAVAL EXPECTED

Three Executions Already Following ssassination Attempt—Ruthless Purge Going On

France made a sweeping round-up of enemies of the Nazi occupation authorities today in the wake of the assassination attempt at Vervailles barracks on Former Premier Pierre Laval yesterday and by midafternoon had placed more than, three hundred persons in "protective custody," some of them from the very ranks of the newly-mobilized anti-Bolshevist legion. In Parthe first three so-called Comunists convicted by special courts were executed summarily. They sentenced yesterday for alleg- ! misdeeds not connected with the aval shooting. Six others were intenced to long prison terms with

rd labor one to life. uthorities annarently feared an anti-Bolshovist, legion formfight Russia alongside Gerontains many more memwho, like Laval's youthful rench leaders favoring collabora-

a Free French follower of General Message To de Gaulle, was rushed toward trial before one of the special courts. Both Laval and Marcel Deat, who was shot at the same time, are expected to recover although seriously injured. Two bullets were removed from the body of Laval who was said to have had as good a night from the Japanese Prime Min- \* as could be expected. Deat's condition was called critical but not

Fighting With Backs to Wall Against Concerted Nazi Assaults All

## NAZI DEFENCE BROKEN

Russians said tonight that two successive German defence lines had been broken in a counter attack on the central front which has continued six days. The offensive by troops of General Koney was in the Gomel area.

The southwestern command of Marshal Budyenny issued an appeal to besieged Russian forces at Odessa to defend the Black Sea port "to the last drop of blood." Other dispatches reported fighting on

all major sectors of the front.

MOSCOW, Aug. 28: (CP)-The Russian army, with its back to the wall in defence of Leningrad and Odessa, was reported fighting stubbornly today against concerted Nazi assaults threatening both ends and the centre of the long war front.

A Soviet communique said there had been stubborn fighting throughout the night around Smolensk, Gomel and elsewhere.

Practically the only medium of exchange used by Eskimos in their
