Interesting Moving Pictures of District Seen by Gyros and Guests Wednesday

Highly interesting moving pictures, centering on school life in 1941 various parts of Prince Rupert district and also including some shots of scenic and industrial interest, were shown before the Prince Rupert Gyro Club at its regular weekly luncheon Wednesday by Alex Turnbull, inspector of schools. It was a very diverting entertainment for the Gyros and several guests.

As M.s. Turnbull's Inspectorial travels take him to many isolated points along the coast as well as in the interior, some of his pictures were of places that had not been seen before so were quite unique. Among the places pictured were Prince Rupert, of course, Stewart, Big Missouri, Alice Arm, Naas River, Port Essington, Sunnyside, Oona River, Bella Coola, Rivers Inlet, Lakelse, Terrace, Copper City, Usk. Massett, Port Clements, Tlell, Skidegate, Queen Charlotte City, etc. Among the industrial shots were those of herring brailing around Prince Rupert and crab fishing at Naden Harbor. Some unique scenes
