Take YOUR Place -help" Finish The Job"

Factories across Canada are turning out guns, tanks, armoured cars, motorized equipment in ever mounting volume. Now, men are urgently needed to use these modern weapons to "finish the job" . . . overseas, wherever the call demands.

It's your job. Canada is calling you—calling you to fight for freedom, to defend your home. It's a fight to a finish, and you are the man to help make that finish the finish of Hitler. You've wanted ACTION! Here it is!

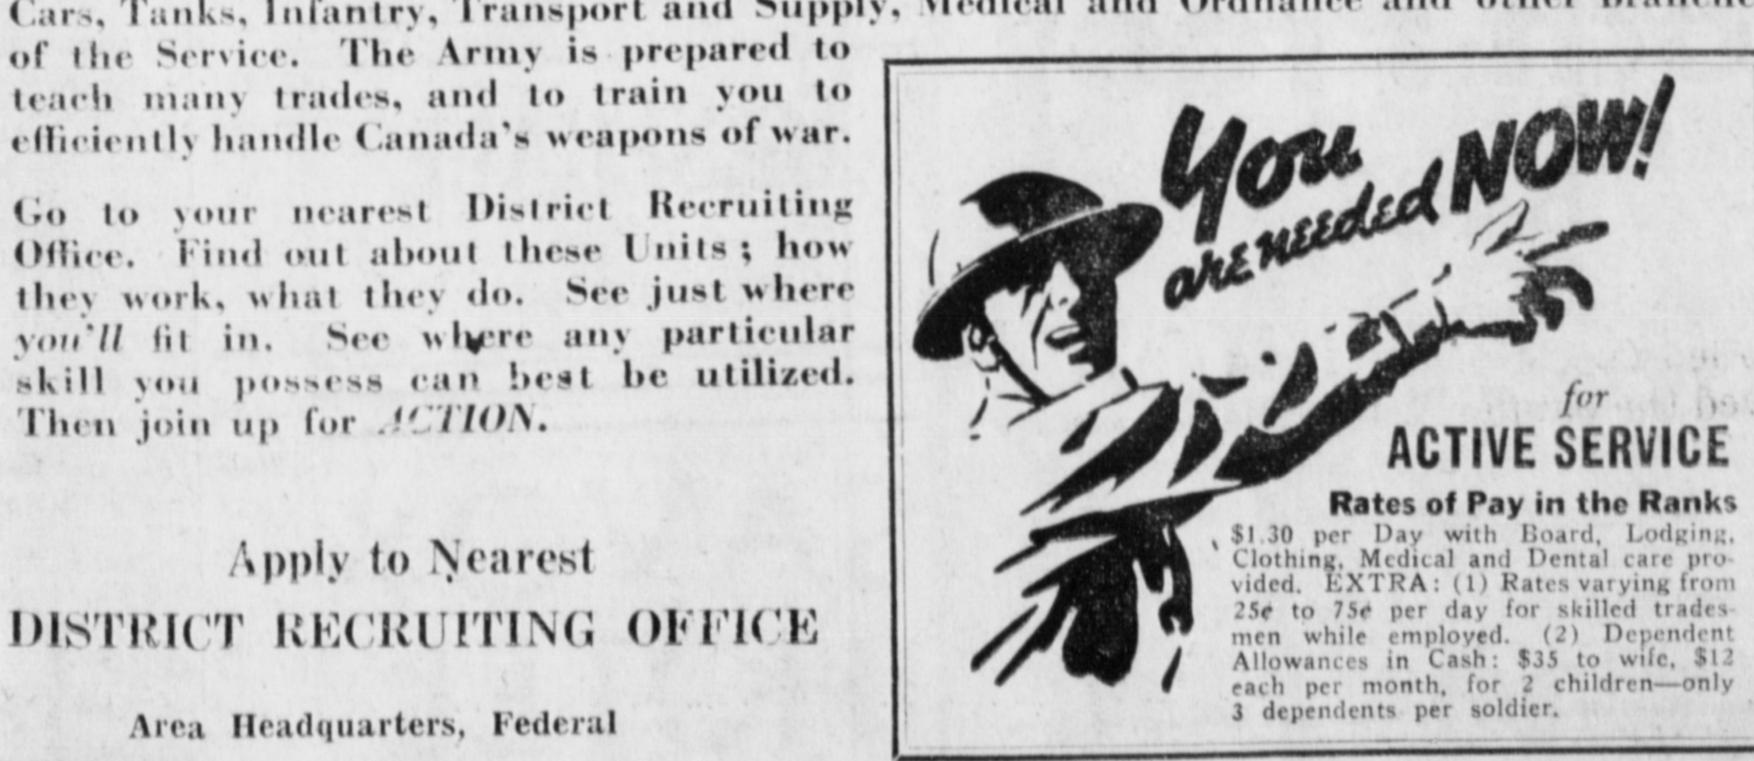

The Canadian Active Army requires men for Artillery, Engineers, Signals, Armoured Cars, Tanks, Infantry, Transport and Supply, Medical and Ordnance and other branches of the Service. The Army is prepared to

efficiently handle Canada's weapons of war. Go to your nearest District Recruiting Office. Find out about these Units; how

they work, what they do. See just where you'll fit in. See where any particular skill you possess can best be utilized. Then join up for ACTION.
