Reddy Kilowatt SAYS:

"ENJOY SUMMER—LEAVE COOKING TO ME!"

REDDY says: "War Savings Stamps will help us win the war. Do your share. Buy all you can."

With an ELECTRIC range you'll be CAREFREE...

"Yes, I'm a Chef, too," says Reddy Kilowatt. "In fact, there's nothing I enjoy more than a few hours in the kitchen saving your footsteps and worry and cooking the finest meals your family ever sank a tooth in. With me on hand, you just snap a switch and perfect, even cooking heat is there for as long as you want it. I help keep the kitchen cool and clean, an all-weather service you'll particularly appreciate in summer time. And you'll notice big savings in food bills too, because everything I cook retains full nourishment value: nothing goes up the chimney, nothing is wasted. Electric Ranges come in sizes for all families. And my wages — for cooking all your meals—average less than \$3 a month."
