RED CROSS

Annual Meeting Hears Reports of Good Work Done

TERRACE, Jan. 24.—The annual meeting of Terrace Red Cross Association was held in the Oddfellow's Hall on Wednesday evening with a representative number of Terrace people in attendance.

The president, E. T. Kenney, occupied the chair and, in his address he reviewed the work of the year just past. He also gave a great deal of detail concerning the Red Cross work throughout Canada. He thought it a matter to be congratulated upon that Terrace and district had raised more than \$1300; in revenue from various sources during the year. Although contributions had come from points along the railway between such widely separated places as Woodcock and Kwinitsa, it should be remembered that most of these points had been combed for funds by the railway officials and such contributions' were not shown in the Terrace re-

Mrs. George Dover gave her report of the work committee. This recorded the immense quantities of goods that were knitted and worked up by the ladies of her committee.

After other routine business was disposed of, the meeting proceeded to the election of officers for the coming year. All the officers were re-elected, except the executive committee, which were chosen by

Lindergh would like to see negotiated peace. We know exacty what kind of peace that would be. Hitler would do most of the negotiating.

Hitler is the spirit of Germany. The Germans have approved and backed up the horrors of Rotterdam and Coventry and the attempt to invade Britain. It is useless to say it is just Hitler and not Germany.
