> ' Cameron. The grand total of halibut landings at the port of Prince Rupert Skeena and Naas Rivers, the latest in the Daily News classified colfor the 1941 season up to and including yesterday was 10,838,000 pounds as compared with 11,795,619 pounds at a corresponding date last, year. Canadian landings have reached a total of 4, 303,100 pounds in comparison withe 4,973,019 nounds in 1940 while the American total is 6,534,900 pounds as against last year's 6,822,600 pounds. The nast week was one of the heaviest of the season in weight of landings with a total of 811,000 pounds of which 276,000 pounds was from Canadian vessels and 535,000 pounds from American. Prices continued very steady at a satisfactory level. The top bid of the week for Canadian fish was 12.9c and 11.9c paid the Parma for 35,000 pounds and the low 12c and 10.5c which the Arctic I. received for 11,500 pounds. The high price of the week for Am-, erican fish was 12.4c and 10.9c which the Arcade received for 14,500 bounds and the low 12c and 10.5c which a number of boats received.
