The maximum draught of vesrels plying between the Great Lakes is limited to about 21 feet.

Man in the Moon

Now that there is an election campaign going on we shall be carrying on just the same as usual and refuse to be excited or worried.

What worries us is that Herbie Morgan is away and there is nobody yet to take his place on the Daily News staff.

Keep your temper, gentle sir, Writes the manufacturer, Though your goods are overdue For a month or maybe two, We can't help it, please don't

Labor's scarce and metal's rare; the Kvichak. Can't get steel, can't get dies; These are facts, we tell no lies.

Dick's in the army, so is Bill; All our work is now uphill. So your order, we're afraid, May be still a bit delayed. Still you'll get it, don't be vexed, Maybe this month, maybe next. Keep on hoping, don't say die, We'll fill your order bye and bye.

Inscription on a 500-year-old tombstone in the church of Kirby cemetery, Essex, England: When pictures look alive

With movements free -When ships like fishes Swim beneath the sea, When men outstripping birds

Shall scan the sky Then half the world Deep drenched in blood shall lie

On a monument in France which marks the last resting place of an army mule, the epitaph reads:

In Memory of Maggie who in her time kicked 2 colonels 4 majors

> 10 captains 23 lieutenants 42 sergeants 432 other ranks and

> > 1 Mills Bomb
