#### Large Prince Rupert Audience Hears Speakers On Venereal Disease Control-Resolution

Passed

IN HEALTH

Prince Rupert citizens showed substantial degree of interest in the matter of public health in general and venereal disease control in particular when they turned out to the number of about 250 in the Y. M.C.A. Hall at public meeting last night to hear these subjects discussed by Dr. G. F. Amyot, provincial, health officer, and Dr. D. H. Williams, director of the Division of Venereal Disease Control. At the close of the meeting a resolution was passed approving the present provincial government program of reducing venereal disease and commending strongly the action of law enforcement agencies in suppressing commercialized prostitution.

The meeting was prosumed over by Major T. W. Sutherland, medical officer of the local garrison area, and, in addition to the addresses of Dr. Amyot and Dr. Williams, two sound films were shown Doubt Expressed at Shanghai That \_one, entitled "With These Weap-; ons," depicting what is being done ! in the United States in a national way in compatting venereal discase, and the other, "Nine Cents! # Must Choose Between Roosevelt-Churchill or Hitler And Mussolini

Foreign Secretary Anthony Eden Crystallizes Issue in Speaking to Munitions Workers—War Output Not Great Enough Yet

COVENTRY, August 30: (CP)—Foreign Secretary Anthony Eden advised Europe today to choose Anglo-American peace as formulated at the Churchill-Roosevelt conference over Adolf Hitler's "new order" as stressed at. his secret meeting with Benito Mussolini on the Russian war front. The Foreign Secretary said that the eight-

point declaration of Churchill and Roosevelt "establishes principles which will be equally valid for all nations" and "excludes all idea of hegemony or zone leadership in east or west."

Capt. Eden's speech was delivered before munitions workers whom he told the output of war material by Great Britain, the Allies and the United States still fell short of needs.
