tnew this very well.

Even in war time there was no reason why there should be an inrease in venereal disease. Military authorities everywhere were forcor commercialized prostitution away from range of military concentrations and the beneficial results, were amazing. Venereal disease was subject in which the public was Itlso taking a more intelligent and franker interest. Dr. Williams referred to the example which had been set by the Scandinavians as far back as forty years ago in comatting venereal disease. British umbia's progressive program along these lines was to some exent designed along the Scandinavan plan. Educational measures, ere being taken and free medical

rvices provided. The importance of blood tests beore marriage was emphasized by Dr. Williams. This might save much sorrow and tragedy later, particuarly since it had been found that; venereal disease could be treated and cured by competent doctors with modern recognized methods. The idea that prostitutes could! e kept clear of infection was a "snare and a delusion" declared Dr. liams. Medical certification, it was now recognized, meant nothing Segregation merely aided exploitation and made highly diseased women fore accessible. The only alternative was supphession of commercial prostitution by which the third party could be largely eliminated. Prince Rupert was to be congratlated on the stand it had taken losing bawdy houses. CANADIAN PRIME MINISTER FLIES TO BRITAIN

Making his first airplane flight an epic one, the Right Hon. W. L. Mackenzie King, Prime Minister of Canada, arrived in Great Britain early this morning by bomber after a successful trans-Atlantic crossing. Accompanying the Prime Minister were various government officials including Norman A. Robertson, Under-Secretary of State for External Affairs, and Brigadier George P. Vanier, former Canadian Minister to France and present Commanding Officer of Quebec Military District No. 5. In the top photo the Prime Minister is shown waving a cheerful goodbye to the small party on hand to bid him farewell. At left is R. B. Jackson, Traffic Manager, R.A.F. Ferry Command. At right is H. M. Long, Assistant to W. Wilson, representative of the Birtish Ministry of Aircraft Production. In the bottom photo Mr. Robertson (at left) and Brigadier Vanier are shown chatting just before boarding the plane.
