THE WAR IN IRAQ BASRA-Fighting between the oi and British in Iraq contins for the fourth day. The rmer regent of Iraq, who fled ter the Nazi coup 'detat by hich Hitler's puppet became emier, is now in Transjordenia ganizing an army to march ainst the new government tich, it is claimed, does not enw the confidence of the people

BATLE OF BRITAIN ONDON - Twenty-four Nazi anes were shot down as the erman Luftwaffe made wideread raids on Great Britain ring the week-end. The raids ere again concentrated on Livpool Saturday night although east coast town was also avily attacked. London was bombed again. Belfast reired a heavy attack last night, emparing with that of April 15. amage and casualties were

REPULSED AT TOBRUK CAIRO- The British garrison Tobruk is still holding out with Axis forces, still at the outer rtifications, being hurled back th heavy losses.

HITLER ROARS AGAIN ERLIN - Chancellor Hitler oke loud and vchemently lest ght in a long harangue before e Reichstag. It was the first me since July 19 last, following e downfall of France, that the erman dictator had spoken to Parliament of the Reich. He me mo direct clue of the next tis move but admitted the war ight continue at least into 1942. r Fuehrer called Prime Miner Winston Churchill a madan and a fool and "history's ost blood-thirsty dilletante." He ould blast Britain from the air ntil it got rid of Churchill.

URGES GREATER PATROL NEW YORK- Declaring that e present patrol is inadequate, lendell Willkie, speaking Saturay night, came out flat-footed h favor of naval convoys of caroes for Great Britain. The rate f sinkings of British ships was serious, said Willkie, that Unled States should take immedile and complete measures to Protect its own shipping to Great

GIBRALTAR AND SUEZ LONDON- It is believed here hat the Nazis will essay an early five against Gibraltar and Suez. Iwenty-seven Nazi divisions are said to be concentrated on the outhwest coast of France preparatory to moving through spain in a thrust at Gibraltar. Mazi technicians are said to be verywhere in Spain. French permission to move through Syria enroute to Suez is being sought. Hitler and Mussolini, it is said will meet soon to discuss the drive on Egypt.

IN ANTARCTICA

BOSTON — Members of the Byrd expedition, home from the south, say that Germans and Japs have been in Antarctica. The Germans used a base at Deception Bay for the Admiral Graf Spee, their buildings there being later destroyed by the British. Jap "whalers" have been at the Bay of Whales where there are

300 NAZI PLANES DOWN LONDON-Three hundred Axis planes were brought down in the battle of the Balkans. Royal Air Force losses were also heavy but not nearly as great as those of

Are Loyal

Mrs. Jamieson Speaks—

C. C. F. Woman Member Asserts Social Security Essential To Future Of Democracy

+ ton reports said that the coast + Only in a system of socialization # guard was investigating # planned for the welfare of the * whether the crews were loyal * many can lie future prosperity, + to the government of King + security and peace, declared Mrs. + Laura Jam esch. C. C. F. member of the Legislature for Vancouver meeting in the Oddfellows' Hall last night.. Only through banding and working together to control the lives of men could progress be made in democracy. Unless a system was set up insuring social security there would be chaos at the end of the present war. There was nothing new in community ownership, declared Mrs. Jamieson. Schlools, playgrounds, water systems and such like were operated agency reports that the sale of on a community basis. Why could meat and serving of it in restaurthis not be done with transportaants ha been stopped except on tion, utilities, banks and even such Saturdays and Sundays. The rethings as moving pictures etc? quirements of the army, it is ex-Why could not the government go into the revenue industries? It had gone into the liquor business which was a source of considerable revenue. The government had already clothed itself with authority to go

into the fuel business. The so-called social legislation under the capitalistic system was contingent to England. only a stop-gap, declared Mrs. Jamieson, The C. C. F. com istently supported all improvements in social legislation but the ultimate ANC aim was complete socialization. Only through it would come per-

manent security. Mrs. Jamieson declared that the whole matter of social security should be a federal responsibility.

Mrs. Jamieson's audience numbered possibly some 150 or 200 persons. Mrs. J. S. Black acted as chairman. The proceedings open with singing of "O Canada."

Brest, Rotterdam, Antwerp, Le- 4 Havre and Cherbourg Bombed

LONDON, May 5: (CP)-British bombers last night scored direct hits on the German battleships + long as the Conservatives are + Gneisenau and Scharnhorst at Brest naval base docks and attacked other widespread objectives in German-occupied territory. Many heavy bombs were dropped on or near the two battleships.

France, the Netherlands, Norway and shipping at sea came in for British attack including such points as Rotterdam, Antwerp, LeHavre and Cherbourg. A direct hit was reported to have been scored on one enemy transport ship.

Cologne in Germany proper was pounded heavily Saturday night by the new high powered British bombs.
